# DETAILED DESCRIPTION

---

## Section name

---

This 2018 Key West 219 FS is an exceptional craft, powered by a Yamaha 150 engine with only 400 hours, promising both dependability and high performance. It comes with a 2018 Load Rite tandem axle trailer, ensuring easy transport. Financing and shipping options are available, providing added convenience for your purchase.

Equipped with a Garmin GPSmap, this vessel offers accurate navigation and peace of mind while on the water. It includes trim tabs for enhanced stability and control, and full bow cushions with backrests along with transom cushions for passenger comfort. The Seastar power steering allows for smooth and effortless handling, elevating the boating experience.

The Polk audio system provides entertainment, letting you enjoy your favorite music as you cruise. Front and rear spreader lights brighten your surroundings, enhancing evening excursions. Practical features like a raw water washdown and macerated fish boxes are perfect for fishing enthusiasts, ensuring a tidy and efficient outing.

This vessel is loaded with additional features and optional extras, making it a versatile and appealing option for any boating aficionado. Whether you're in search of adventure or relaxation, this Key West 219 FS is prepared to offer an outstanding experience on the water.

## Overview

---

The 219FS is a highly adaptable boat that delivers an outstanding experience for families who love the outdoors, blending a capable offshore fishing setup with numerous comforts. This vessel includes a full-width bench seat at the

back, a roomy changing area beneath the console that can fit a portable toilet, and standard bow seating with removable backrests, side bolsters, and cushions. Cup holders are strategically placed throughout, ensuring drinks are always within easy reach.

Measuring 21 feet 9 inches in length and boasting an 8-foot 6-inch beam, the 219FS is among the largest in its category, providing more deck space, rod storage, dry storage, and seating than its rivals. It can be customized with various options, from a ski tow to outriggers, making it suitable for a wide array of activities.

Standard features of the 219FS include a recessed low-profile bow rail, a 20-gallon live well, and trim tabs with indicators and automatic retraction. Molded-in gunwale rod storage and LED navigation lights at the bow enhance the fishing experience, while a built-in fuel tank and LED lights in the live well add practicality. The boat is equipped with closed-cell positive foam flotation, a molded-in front console seat with storage beneath, and a folding bolster leaning post that transforms into twin seats with a backrest.

Additional amenities include a console-mounted footrest with multiple storage compartments, Sea Star hydraulic steering, cockpit bolsters, and a molded-in swim platform with a telescoping three-step ladder. The changing room under the console is a thoughtful feature, offering privacy and convenience. The bench seat with a snap-on cushion and a spacious bow casting deck further improve the boat's functionality.

The 219FS is crafted with recessed horizontal gunwale rod racks, black accents, and four stainless steel trolling rod holders with integrated drains. A folding stern light, courtesy lights, and a molded non-skid inner liner ensure safety and ease of use. The boat is built with stainless steel hardware, a 12-volt power outlet on the dashboard, a compass, and an electric horn. A tinted windshield with a stainless steel grab rail and storage under the console enhance the boat's allure.

The self-bailing cockpit, high-speed pick-up live well, foam-injected fiberglass stringer system, and built-in fuel tank are all engineered for durability and performance. The bilge pump with an automatic switch, two large storage boxes in the bow, and a dual battery switch offer additional convenience. The engine builder-matched analog gauge package, bench seat cushion and backrest with cushion, and no wood-no rot construction ensure that the 219FS is built to endure, providing a dependable and enjoyable boating experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
