OVERVIEW

Malibu M220, 2022, MALIBU M220, 22 ft

Dry stacked with just 175 hours, this 2022 MALIBU M220 combines the renowned M-Series ride with a compact 22-foot footprint, delivering big-water confidence, refined comfort, and outstanding surf and wake performance. The M-Line hull, paired with Surf Gate featuring Malibu Surf Band, Power Wedge 3, rear ballast bag upgrade, high-altitude 18 x 14 prop, and 115-amp alternator, enables precise tuning for everything from pro-level wakeboarding to easy family surf sessions.

Designed for long, effortless days on the water, it includes the M220 dash with sport rotary joystick and wireless charger, Zero Off GPS, wideview backup camera, wake view seating with a bench that converts to an integrated table, interior flip-down entry/exit steps, soft grip flooring and internal storage liners, stainless cupholders, and the M220 windblock door. The power-lift swivel helm seat keeps the captain in control, while the flip-down swim step and Phender Pro quick-release simplify time at the dock.

A black Malibu G5 tower crowns the setup with a PTM panoramic 140-degree mirror, PTM wakeboard racks, side-pull surf points, CS Gen 2 Surf Bimini, and CS boat and platform covers. Entertainment is anchored by the Sound System M220 pack with a 12-inch subwoofer and transom remote, enhanced by RGB lighting, underwater lights, and docking lights. Arctic White hull accent, interior color change, and soft-touch finishes elevate the overall look.

Monsoon M6DI power shows 175 hours, breathing through a surf pipe exhaust. Additional conveniences include a battery charger, Zero Off GPS, pull-up cleats, Phender Pro, power lift helm seat and swivel, Malibu ice box, wideview backup camera, transom remote, and a flip-down swim step. Dry stacked and comprehensively optioned, this M220 is ready for immediate enjoyment.
