OVERVIEW

2020 ROBALO R22 CC

A finely balanced center console that marries offshore poise with family-ready versatility, built by ROBALO, the R22 CC delivers confident performance and the smart, seaworthy ergonomics the brand is known for, all within an easy-to-manage 22-foot footprint. Powered by a Yamaha 250 VMAX showing 461 hours, it’s equipped to run clean and strong. Helm electronics center on a Simrad NSS12 Evo3 multifunction display paired with a Simrad Xsonic SS175M transducer for sharp mid band clarity. Lenco lighted trim tabs refine the ride, while dual batteries with switch and an onboard charger add reassuring redundancy. Comfort and convenience are thoughtfully addressed: a head compartment with toilet, a fresh water tank, and a Clarion stereo with Bluetooth and SiriusXM-ready capability keep days on the water relaxed and enjoyable. An aluminum tandem-axle trailer is included, simplifying storage and transport. A capable, well-specified 22-footer that’s equally at home chasing fish, cruising the shoreline, or anchoring at the sandbar.
