OVERVIEW

Slip away to a favorite dockside bistro, slip into a secluded cove for hushed conversation, or gather the crew at the sandbar—the REGENCY 220 LE3 is a refined tri-toon that marries spirited capability with sumptuous comfort. Meticulously cared for by an exacting, experienced owner, she presents beautifully: lift-kept, covered, and never bottom-painted. Her fresh styling includes updated fencing with powder-coated rails and coordinating pontoon colorways that frame triple powder-coated performance tubes fitted with lifting strakes and spray deflectors for confident, efficient handling.

An 11 ft color-matched QuickLift Bimini, complete with LED lighting and storage pockets, shades the cockpit while illuminated in-deck storage and a 500 GPH automatic bilge enhance convenience and safety. The premium helm features backlit switches and gauges, tilt hydraulic steering, and a supportive captain's chair that makes long runs effortless, while a responsive in-console stereo with Bluetooth and USB plus a dash-mounted remote keeps the soundtrack flowing.

Guests recline on plush lounge seating with lockable under-seat stowage, and an aft-facing lounger cleverly hides a pop-up changing room, bench, and additional storage. Entertaining is effortless at the refreshment center with sink, pull-out sprayer, and a 13.5-gallon freshwater tank, and the full-beam swim platform with padded non-skid and a fold-down reboarding ladder completes a picture of versatile, luxury dayboating—equally at home as a deck boat, motor yacht tender, or lake yacht.

DETAILED DESCRIPTION

Additional specs

Measured with an eye for balance and capability, this model spans 25' 4" in overall length, presenting a 23' 3" deck that stretches across a confident 102" width and is perfectly paired with a maximum recommended 250 HP powerplant while long range cruising is supported by a 52 gal. fuel capacity; underfoot each pontoon log extends 23' 1" with a 26" diameter and is crafted from resilient 0.1 5052 marine alloy for enduring strength, comfortably accommodating up to 10 persons with a maximum person weight of 1380 lbs. and a combined person, motor and gear capacity of 2200 lbs., all within an interior depth of 29.5", and an average weight of 3340 lbs. that fits within an average package weight of 5765 lbs. and package dimensions of 8' 8" in height and 8' 6" in width, while practical on land as at sea it tracks a towing length of 32' 4" and a storage length of 32' 4" to make transport and stowage seamless.

Standard features

Confidence begins with comprehensive assurance: the 10+LIFE™ warranty delivers a 10 year bow to stern warranty alongside a limited lifetime structural and deck warranty with provisions for transfer to a second owner, all backed by NMMA® certification, and days on the water are shaded by the exclusive QuickLift™ 11' (3.35 m) color keyed Bimini top with LED courtesy lights, a protective boot and integrated storage pockets; thoughtful details abound from navigation and docking lights to abundant drink holders, self closing bow and aft gates with magnetic latches and ergonomic multi density upholstery foams designed for all day comfort, while practicality meets preparedness with four folding mooring cleats, a motor stop safety lanyard, fire extinguisher and horn. At the helm control feels intuitive and

refined as a removable molded windscreen crowns a sleek heavy duty fiberglass console set on an elevated platform for peerless visibility, supported by a full suite of multifunction gauges—tachometer, water pressure, trim, voltmeter, speedometer and fuel—while the Lowrance® HOOK 5 color depth finder/chartplotter with GPS reveals the water ahead in crisp detail; the deluxe sport steering wheel with burlwood accents pairs with power assisted tilt hydraulic steering for assured handling and entertainment flows through an in console Bluetooth® capable AM/FM stereo with a dash mounted remote and four strategically located speakers, with storage and convenience provided by a flip out drawer, a designated mobile phone holder and below console cooler storage space with door (cooler not included), completed by back lit switch panels that finish the polished command center. Strength and beauty converge in construction and exterior refinements as NEW Diamond Coat™ and fresh fencing and upholstery color combinations elevate the aesthetic while three powder coated 26" (66.04 cm) diameter high performance multichambered pontoon logs add welded in lifting strakes, wave deflectors and internal bracing for additional strength, paired with a 7 ply pressure treated deck carrying a Limited Lifetime Warranty and factory installed underpinning for improved performance; powder coated Bimini hardware, deck brackets and pontoon logs deliver a long lasting finish accented by distinctive 3 dimensional REGENCY® side graphics, all upholstery foams are wrapped with a moisture barrier to resist intrusion, rotomolded furniture backs and bases stand up to the elements, and underfoot a one piece full length extruded M bracket maximizes floor support while full width heavy duty extruded Z bar deck supports are thru bolted to the M brackets, with stylized powder coated 1.25" (3.18 cm) aluminum fence rails for distinctive, lasting strength, elevated fence panels that aid drainage and ventilation, and sound and vibration deadening fence insulation to quiet the ride; power delivery is anchored by an all welded, all aluminum extended motor pod with a built in EPA compliant fuel system protected by a

heavy duty extruded, powder coated rub rail with oversized insert and corner castings, complemented by an all aluminum box beam transom and reinforced bow and stern deck structures. Electrical systems are equally robust with a 500 GPH (1,893 LPH) automatic bilge pump, an electric on demand water pump for the freshwater sink and two cranking batteries with a mounting tray, while ease of service is assured by an easy to access automotive style fuse panel and convenient 12V outlets. The interior invites indulgence and intelligent utility with a NEW snap in lid floor mat over seagrass woven flooring and plush seating that includes a wraparound port bow lounge with extra deep cushions, pillowtop backs, lumbar support, headrest, lockable underseat storage, lockable arm storage and a floor level drink holder, mirrored by the wraparound starboard bow lounge integrated into the console; the oversized adjustable reclining swivel helm seat with self leveling arms features a ventilated storage pouch on the back while the aft L lounge adds extra deep cushions, pillowtop backs and both lockable underseat storage and lockable lounge arm storage, and aft a padded sundeck conceals a pop up changing room, changing bench and storage beside an expansive 88" (2.24 m) long, 23" (58.42 cm) deep lighted in floor storage compartment, with a full width aft swim platform and pillowtop style high grade upholstery throughout. Entertaining is effortless at the starboard aft fully molded fiberglass refreshment center with sink, pull out sprayer, a 13.5 gal. (51.10 L) on demand fresh water tank, food prep area, drink holders and a courtesy light, while a removable table with molded in drink holders includes both tall and short pedestals with fore and aft pedestal base locations and watersports are supported by a removable tournament style ski tow pylon; an easy access trash receptacle in the starboard bow lounge keeps the deck pristine and accessibility is further enhanced by a 31" (78.74 cm) port wheelchair access gate and a large four step powder coated boarding ladder with tall grab rails. Performance is built in courtesy of three pontoon logs for extra lift, buoyancy, speed and handling, matched at the factory with a

stainless steel propeller to translate power into poised, confident thrust.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
