DETAILED DESCRIPTION

Standard Key Features

This yacht exemplifies the pinnacle of design and utility, seamlessly merging elegance with practicality. Its exterior features a sleek flat panel fence in sage green, highlighted by platinum silver accents that exude sophistication. Inside, the moonlight gray furnishings create a tranquil ambiance, beautifully complemented by cloud bamboo flooring that extends throughout the yacht. For sun lovers, a 10-foot bimini offers generous shade, ensuring a comfortable journey. The yacht is fitted with a 12V DC outlet, making it easy to power your gadgets. A GPS speedometer caters to your navigational needs, keeping you informed of your speed and position at all times.

Ample storage is provided by a helm storage door, while gate floor steps enhance safety. A 4-step ladder with a platform simplifies water access, making swimming or reboarding effortless.

Entertainment is readily available with a Clarion Bluetooth stereo, letting you enjoy your favorite music while on the move. The luxurious helm seat, a lowback recliner, combines comfort with style for the captain. USB charging ports are strategically placed, ensuring your devices remain charged.

A well-crafted table with drink holders offers an ideal spot for refreshments, and the full-length keel guarantees stability and smooth navigation. This yacht is more than just a vessel; it is a haven on the water, providing everything necessary for a memorable voyage.

Optional features

This yacht boasts a selection of optional features that elevate its functionality and opulence. Central to its design is the center walkway with standard dual

helm seats, offering a commanding perspective and seamless access to every part of the vessel. The reinforced 27-inch dual tube chassis provides a sturdy and stable base, ideal for handling diverse water conditions.

For those exploring saltwater terrains, the saltwater package delivers extra protection and longevity. The complete skin kit further boosts the yacht's durability, while the hydraulic/tilt steering ensures smooth and effortless navigation. A 12-foot black canvas bimini top provides generous shade, ensuring comfort on bright, sunny days.

The seating is the epitome of luxury, featuring U-Lux high-back seats with dual helm seats for ultimate comfort. The adjustable height seat with slider and swivel capabilities allows for customized seating arrangements. Navigational requirements are expertly addressed with the Simrad G07 chart plotter and sonar, offering accurate and dependable information.

Entertainment is enhanced with the stereo upgraded package #1, providing exceptional sound quality. Black seat covers add a layer of elegance and protection, while the mooring cover has been deliberately excluded to accommodate specific preferences. A single battery disconnect switch offers safety and ease, and courtesy lighting creates a warm and welcoming atmosphere within the yacht.

These optional features come together to craft a yacht that is more than just a vessel; it is a luxurious sanctuary on the water, designed to satisfy the desires of discerning sailors.
