OVERVIEW

The 2019 Cobia 220 Center Console is an agile, versatile offshore sportfishing platform and refined family dayboat that blends assured performance with considered comfort and practical flexibility. Built on Cobia's renowned deep hull, the 220 CC tracks straight, delivers a dry, compliant ride and holds its composure across a wide variety of sea states.

An open cockpit layout provides unobstructed 360 degree fishability while abundant seating and smart storage solutions make the boat equally suited to relaxed cruising or towing water toys. Onboard appointments include insulated fishboxes, integrated rod holders, in deck lockers, sumptuous bow loungers and a foldaway aft bench designed for casting. Propelled by a reliable Yamaha F150 four stroke outboard producing 150 hp, the 220 CC strikes a refined balance of energetic performance and economy, offering extended range, crisp acceleration and smooth, confident operation.

DETAILED DESCRIPTION

Electronics & navigation equipment

Aboard the yacht, the helm is centered on a Garmin multifunction display that brings GPS, chartplotter and fishfinder capabilities together in a single, highly legible interface to ensure intuitive situational awareness. Reliable ship to shore and vessel to vessel communication is provided by a Garmin VHF marine radio, while a Yamaha digital engine display offers immediate, precise performance readouts. Onboard entertainment is handled by a refined marine stereo system with remote control at the helm for effortless operation underway. Traditional navigation is reinforced by a compass, and safe, inviting night operation is achieved through full navigation lighting, elegant courtesy cockpit illumination and powerful overhead and spreader lights that brighten the deck and working areas after dusk.

Fishing features

Designed from the keel up for the committed angler, the cockpit features a dedicated livewell system to keep bait lively, supported by both a raw water washdown and a freshwater washdown to make post-trip cleaning effortless. Insulated fish boxes maintain your catch at peak condition, while an array of rod holders keeps tackle orderly and immediately accessible. Expansive storage lockers swallow rods, gaffs and oversized gear without compromise, and a self-bailing cockpit quickly sheds water to provide added reassurance when fishing offshore.

Additional features

Take the helm sheltered beneath a rugged T-Top mounted on an aluminum

frame; a polished stainless-steel steering wheel coupled with smooth hydraulic steering provides precise, assured handling. A supportive leaning-post helm seat keeps you secure while underway, and a swim ladder enables effortless reboarding after a refreshing dip. Stainless-steel hardware throughout the vessel reinforces long-term durability and contributes a refined, mirror-like finish.

Outstanding opportunity for boaters seeking a turn-key vessel

Marrying offshore seaworthiness with refined appointments, this 2019 Cobia 220 Center Console is presented as a true turn-key offering. Fitted with modern Garmin navigation and electronics and driven by a dependable Yamaha F150 outboard, she delivers a flexible layout equally tailored to serious fishing and leisurely family outings. Built to Cobia's exacting standards and appointed with premium features throughout, this vessel is poised to provide effortless, unforgettable days on the water.
