OVERVIEW

2019 Cobia 220 Center Console — The 2019 Cobia 220 Center Console is a refined, dual-purpose yacht that performs as an offshore fishing platform while offering the comfort and amenities expected for memorable family outings. Its celebrated deep-V hull delivers a dry, composed ride and assured stability through variable seas and chop, giving confident handling when the water turns choppy. A wide, uncluttered cockpit affords true 360-degree fishability, yet abundant seating and intelligently designed storage make the boat equally suited to relaxed cruising or towing water toys. Practical luxuries include insulated fish boxes, plentiful rod holders, in-deck lockers, sumptuous bow seating and a foldaway aft bench, all arranged to maximize convenience and onboard comfort. Propelled by a proven Yamaha F150 four-stroke outboard producing 150 horsepower, this saltwater sportfisher balances spirited performance with impressive range, economical fuel use and dependable reliability.

DETAILED DESCRIPTION

Electronics & navigation equipment

Situated at the helm, a Garmin multifunction display consolidates GPS, chartplotter and fishfinder functions into one intuitive interface, while a Garmin VHF marine radio ensures clear, dependable communications. A Yamaha digital engine display presents live performance data front and center for immediate monitoring, and a marine stereo with a helm-mounted remote supplies the onboard soundtrack. Traditional instruments receive the same level of refinement: a precision compass, navigation lights for confident night passages, soft courtesy lighting in the cockpit, and powerful overhead and spreader lamps that wash the decks in uniform, immaculate illumination.

Fishing features

Engineered for the serious angler, the cockpit is a purpose-built workspace equipped with a livewell system that preserves bait vitality, both raw and freshwater washdown outlets for effortless cleansing, and insulated fish boxes to maintain the day's catch at peak condition. The self-bailing cockpit evacuates water quickly to keep the deck dry and secure, while multiple rod holders keep your spread organized and within easy reach. Large storage compartments swallow rods, tackle and equipment so the working deck stays uncluttered and ready for action.

Additional features

Prepared for assured days afloat, the yacht is fitted with a sturdy T-top mounted on an aluminum frame to provide dependable shade and shelter, while a stainless-steel steering wheel paired with hydraulic steering ensures

precise, effortlessly responsive control at the helm. The leaning-post helm seat offers secure, ergonomic support on every passage, and a thoughtfully placed swim ladder makes reboarding after a dip simple and safe. Premium stainless-steel hardware is installed throughout, delivering enduring strength and a polished, refined finish.

Outstanding opportunity for boaters seeking a turnkey vessel

An exceptional ready-to-enjoy offering for the discerning boater, the 2019 Cobia 220 Center Console pairs offshore-capable performance with refined appointments and the renowned build quality that defines Cobia. Driven by a dependable Yamaha F150 and equipped with modern Garmin electronics, she features a highly adaptable layout carefully conceived to support focused days of angling as well as relaxed family outings, promising memorable time on the water.
