DETAILED DESCRIPTION

Section name

The 2008 Scout Winyah Bay 221 is an exceptional craft that seamlessly blends performance with functionality, making it perfect for both avid fishermen and those seeking relaxation. It is driven by a dependable Yamaha F150 4-stroke engine with only 379 hours, ensuring a smooth and efficient journey. Equipped with the Garmin 743, a cutting-edge system installed in 2022, your navigational needs are met with the latest technology.

Fishing aficionados will admire the well-thought-out design, which includes 16 rod holders placed for optimal convenience. There is also ample room for up to 8 rods in the forward hatches, providing easy access and organization. The presence of a trolling motor outlet further enhances the boat's fishing prowess, offering flexibility for different fishing styles.

The bow features a spacious fish locker, providing ample room to store your daily catch. This, along with the boat's other features, makes the 2008 Scout Winyah Bay 221 an outstanding option for those who appreciate both practicality and comfort on the water.

Propulsion

The heart of this yacht's propulsion is a sturdy Yamaha engine, the 379F150TXR model, crafted in 2006. This outboard 4-stroke powerhouse provides 150 horsepower, guaranteeing dependable and efficient performance on the water. With just 379 hours logged, the engine is in superb condition, ready for countless more voyages. Running on gasoline, this engine is celebrated for its longevity and seamless operation, making it a perfect option for those who desire both strength and dependability in their nautical

adventures.

Specifications

This yacht features remarkable specifications that enhance both its performance and comfort. With a maximum draft of 0.83 feet, it is ideal for cruising through shallow waters, while its 8.5-foot beam offers plenty of room for onboard activities. Weighing in at 1,850 pounds when dry, the vessel is conveniently sized for easy transport and storage.

The design incorporates an 18-degree deadrise at the transom, which ensures a smoother ride and better handling across various sea conditions. The fuel tank is generously sized, holding up to 65 gallons, allowing for longer voyages without the need for frequent refueling. These specifications underscore the yacht's perfect blend of agility, stability, and endurance, making it a superb option for both relaxing cruises and thrilling adventures.

Other details

When offering the details of this vessel, the Company acts in good faith, striving to deliver precise and thorough information. Nonetheless, it is crucial to understand that the Company cannot ensure the accuracy of the information provided, nor can it guarantee the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
