# OVERVIEW

---

The Speedster is an exquisitely designed classic runabout, drawing its inspiration from the legendary 1959 Porsche 356 and the sophisticated gentleman's boats of the 1930s. This remarkable vessel effortlessly combines luxury, performance, style, and comfort. Its elegantly curved lines and absence of straight edges convey a sense of dynamic motion and a unique character in its design.

This bespoke Speedster features a captivating Green exterior complemented by opulent Burgundy leather accents.

## Standard Features

Interior

Every aspect of the interior, from the seating and steering wheel to the audio system and controls, is meticulously crafted with attention to detail. The convertible top allows you to enjoy your yacht in any weather. The Speedster comfortably accommodates up to five guests, with a wide selection of leather colors and customizable options for carpets and bimini tops.

Performance

The innovative patented Amfihull® design offers outstanding performance. The Speedster features exceptionally low drag resistance, allowing for smaller engines while surpassing similar-sized vessels. Its steep entry slices through waves at a 72-degree angle, ensuring a smooth ride without pounding. The boat maintains low trim angles of 2 to 2.8 degrees at all cruising speeds, transitioning seamlessly out of the water without a specific planing speed.

Electronics

Depth sounder

Inside Equipment

Electric bilge pump
