The design of this yacht's exterior seamlessly blends practicality with elegance. It includes a secure anchor locker and a telescopic ladder at the bow, paired with another at the stern, facilitating effortless water access. LED docking lights illuminate the way during night moorings, while the half swim platform provides a perfect spot for leisure or aquatic activities.

The helm is outfitted with a comprehensive dashboard featuring fog-resistant instruments like a speedometer, fuel gauge, voltmeter, and tachometer. A horn and a 12V outlet add to the convenience. The hour meter monitors engine hours, and the single bucket helm seat with a bolster offers comfort during voyages. The hydraulic Sea Star steering system, with its tilt wheel, ensures smooth handling, and the trim gauge is part of the engine package. The full wrap-around windshield offers superb protection from the elements while maintaining a clear view of the surroundings.

Additional features elevate the yacht's allure, such as a freshwater tank for longer journeys and swim ladders at both the bow and stern for easy access to the water. Generous bow storage accommodates all your equipment, and the yacht is equipped with crucial safety gear, including fenders, life jackets, and dock lines. These well-considered enhancements guarantee that every voyage is both pleasurable and secure.
