## OVERVIEW

---

The Little Dipper is an exquisite yacht in impeccable condition, powered by a reliable Honda 150hp engine with 935 hours recorded as of October 2023. This yacht for sale is fully equipped with essential safety equipment, high-quality stereo speakers, and a state-of-the-art chart plotter, promising a lavish experience on the water.

Prior to the yacht sale, it will receive several upgrades, including a new coat of bottom paint, meticulous detailing inside and out, and a full engine service to ensure peak performance.

This magnificent yacht is competitively priced and currently situated out of the water in Portsmouth, RI. For those seeking to buy a yacht that seamlessly blends sophistication with practicality, the Little Dipper stands out as an exceptional option in the yacht sales market at the current boat location.

## DETAILED DESCRIPTION

---

### Section name

---

This yacht boasts an array of standard features that elevate both its functionality and comfort. It offers a bench seat with a detachable cushion, a sleek walk-through windshield, and recessed rod racks along the gunwales. Anglers will appreciate the four stainless steel trolling rod holders with built-in drains. The yacht's design is enhanced by black accents and courtesy lighting, while a foldable stern light and a molded non-slip inner liner add practicality. Durable stainless steel hardware is used throughout, and a 12-volt outlet on the dashboard adds convenience. Safety is a priority with closed-cell positive foam flotation and LED navigation lights on the bow. Storage is plentiful, with roomy compartments under the seats and additional space beneath the console. A freshwater shower station with a 9-gallon tank and an integrated swim platform with a telescopic 3-step ladder cater to leisure activities. Entertainment is ensured with a stereo system featuring an MP3 port and four speakers. Seating includes a captain's chair and a back-to-back lounge seat, complemented by cockpit bolsters and bow cushions. The yacht is fitted with Sea Star hydraulic steering and an electric horn, and it includes an analog gauge package matched to the engine builder. A bilge pump with an automatic switch, two large storage boxes in the bow, a built-in fuel tank, and a foam-injected fiberglass stringer system are also part of the package. The high-speed pick-up livewell and self-draining cockpit enhance its fishing prowess, while the no wood-no rot construction and a ten-year hull warranty ensure durability. A low-profile stainless steel bow rail adds a touch of sophistication.

Additional features include cockpit and bow cushions, extra stainless steel trolling rod holders, and bow storage. A forward in-floor fish box with an

overboard drain and rod holders offer further convenience for fishing. Rear storage for the battery and accessories, Sunbrella canvas, and a telescopic swim ladder are also available. The yacht is equipped with a windshield, anchor and chain, fenders, lines, lifejackets, and flares, ensuring you are ready for any adventure.

Powered by a Honda 150 HP engine with 935 hours as of October 2023, there is an option to install a new engine at an extra cost. It features Sea Star hydraulic steering and a 50-gallon fuel tank, ensuring a smooth and efficient journey.

Primarily designed for saltwater, this yacht is equally adept inshore, offshore, on rivers, or large lakes. Crafted by fishermen for fishermen, it is versatile enough to support family activities like skiing, tubing, or serene cruises. Each hull, from 15 to 29 feet, is designed for a smooth, fast ride with precise control and fuel efficiency, meeting or exceeding US Coast Guard Standards. The yacht is constructed to the highest standards of safety, structural integrity, and stability.

In terms of electrical and electronics, the yacht includes a dedicated house battery and a dedicated engine start. A 12V bilge pump with an automatic switch, 12V Lenco trim tabs, and an electric horn are part of the setup. Courtesy lights and a single lever throttle control with a safety kill switch enhance usability. Electronics feature a Garmin chart plotter and exterior Jensen speakers, ensuring you have cutting-edge technology at your disposal.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
