The 22 HFC seamlessly combines cost-effectiveness, adaptability, and robustness, making it a perfect option for both families and fishing aficionados. This center console vessel is crafted with an emphasis on family enjoyment, fishing, and leisure, offering numerous features tailored for anglers. It is outfitted with foldable cleats made of stainless steel, flush-mounted rod holders, and under-gunnel rod storage highlighted by LED lights. The 25-gallon baitwell at the stern is ideal for keeping your catch fresh. For families in search of adventure, the 22 HFC offers generous space with a spacious and cozy bow seating area, a front passenger seat at the console, and a bench seat at the stern. An optional enhancement includes a distinctive flip-up console with a step-down changing station, adding convenience to your excursions.

The hull and deck of the 22 HFC are constructed entirely from fiberglass/composite, ensuring no wood is present to rot. The molded fiberglass deck liner and high-density fiber core foam transom boost durability, while the fiberglass grid system provides structural strength. The boat is equipped with a sturdy rub rail with a stainless insert and a premium gelcoat finish. Coaming pads on both port and starboard sides, along with a blue/white courtesy LED lighting package, enhance its visual appeal. The diamond pleated upholstery and stainless hinges with gas shocks on marine board lids ensure both comfort and functionality. The boat features stainless bow and stern eyes, folding cleats, and LED bow navigation lights mounted on the rub rail. The under-gunnel rod storage can hold up to six rods, and the flush mount stainless rod holders enhance fishing capabilities. The bright Kromex Sea Chaser logos and model numbers add a stylish touch, while the cockpit

gravity-fed overboard drain and high-speed pickup ensure practicality.

The console/stepdown area is designed for user-friendliness, featuring a binnacle control shifter, Teleflex shifter control cable, and a stainless power grip steering wheel with tilt helm. Sea Star hydraulic steering and a comprehensive wiring harness ensure smooth operation. The digital gauge and switch panel with 12V power, along with an AM/FM BT radio with four speakers, USB, and AUX plugs, provide entertainment and convenience. The bi-fold side entry door, footrest, glove box, and utility pocket add to the functionality. A porta potti, stainless grab rail, and LED cup holders enhance comfort, while the quick disconnect windshield and marine horn with stainless cover ensure safety. The ultra-leaning post with backrest, rod holders, and cup holders, along with a 100-quart removable marine cooler and cargo storage bag, offer ample storage options. The front passenger seat with storage, fire extinguisher, passenger grab handles, and HFC series decals complete the console area.

At the bow, the 22 HFC features an anchor locker, stainless anchor chock with roller, and a lifting eye. The stainless low-profile bow rail and diamond pleated upholstery add to the comfort and style. U-shaped bow seating with removable cushions and backrests, along with insulated storage compartments and fish boxes, provide versatility and practicality.

The stern of the boat is equipped with an 1100 GPH bilge pump, 800 GPH aerator pump, and a fuel/water separator. The approximately 25-gallon rear baitwell with LED light and Max Air ensures your bait stays fresh. Rear bench seating with molded-in cooler/storage and removable backrest, along with easy lift battery and bilge access, add to the convenience. The rear storage with LED light, stainless LED light cup holders, and splash well bilge access with LED light enhance functionality. A stainless telescopic boarding ladder, blue LED underwater lights, and a raw water washdown system complete the stern features. The battery switch ensures easy operation.

Notable extras include a 2023 Venture double axle road trailer and a 2023 Honda 225 HP outboard motor, both covered by a full Honda warranty. Local delivery is available at an additional cost, making the 22 HFC a comprehensive package for those seeking a reliable and versatile boat.
