OVERVIEW

"Current price" is an indication only, and all reasonable offers will be courteously considered. Crafted on Grady White's well regarded fiberglass hull and riding a reassuring 8 foot beam, the 2000 226 Seafarer combines the seaworthy strength offshore anglers rely on with creature comforts that make long days on the water enjoyable. This timeless walkaround cuddy cabin layout provides safe, uncomplicated passage to the foredeck and reveals a spacious, fishing focused cockpit designed for serious saltwater sportfishing, complete with elevated gunwales and built in rod storage to keep gear secure and organized. Strong offshore performance is matched by gentle, family friendly handling along the coast, making this 22 foot walkaround a versatile, trailerable classic that remains admired decades after its debut. Here is a solid, deep V Grady that still defines its category and warrants close consideration. Presented in attractive condition and ready for immediate use as shown, this elegant Grady White welcomes inspection and offers. If your search has centered on a compact offshore capable cruiser with proven pedigree and sportfishing ability, this Seafarer merits your attention.
