OVERVIEW

Indulge in the ultimate blend of luxury and adventure with this magnificent 2021 Aquasport yacht, now on the market in the United States. Measuring 23 feet in length with an 8-foot beam, this elegant monohull is crafted for both performance and style, making it an ideal choice for those seeking a yacht that marries aesthetics with practicality.

Upon boarding, you'll be welcomed by a meticulously designed fiberglass deck, inviting you to set sail on the open waters. The generous layout is perfect for hosting guests or enjoying a peaceful day at sea. With a draft range between 4.92 and 8.20 feet, this yacht is well-suited for both shallow bays and deeper waters, ensuring you can effortlessly reach your favorite spots.

Equipped with a dependable Suzuki outboard engine, this yacht guarantees a smooth and thrilling journey, whether you're gliding along the coast or setting off on a weekend adventure. With an 89-gallon fuel capacity, you can explore further without the hassle of frequent refueling, allowing you to fully embrace the yachting lifestyle.

The interior, crafted by Aquasport, showcases a dedication to comfort and elegance. Thoughtful design elements and premium materials create a welcoming ambiance, perfect for unwinding after a day of exploration. With a 15-gallon water capacity, you can enjoy the convenience of onboard facilities, ensuring your time at sea is as comfortable as possible.

This yacht is more than just a vessel; it's a lifestyle choice. Whether you're entertaining friends, spending quality time with family, or simply seeking an escape from the everyday hustle, this yacht provides the perfect retreat.

Currently situated in the United States, this yacht presents a prime opportunity for those interested in yacht sales at its current location. Don't miss the chance to own this remarkable 2021 Aquasport yacht, where luxury seamlessly meets performance. Embrace the freedom of the open sea and create unforgettable

memories aboard your new yacht. Discover the possibilities and elevate your yachting experience today!

DETAILED DESCRIPTION

Upgrades

This yacht features a host of remarkable enhancements aimed at boosting both functionality and comfort while at sea. The robust T-Top is fitted with LED lighting, offering superb illumination, and the front and rear spreader lights guarantee visibility in any condition. For those who relish nighttime adventures, the enhanced underwater lights add a layer of elegance and safety. The yacht is equipped with a trolling motor battery charger plug, discreetly mounted behind the front seat near the master battery ON/OFF switch, along with a dual-bank charger for house batteries, ensuring power is always within reach. The trolling motor plug has been cleverly relocated inside the anchor locker for added convenience.

Entertainment is elevated with a premium stereo system featuring six speakers, an amplifier, and a subwoofer, delivering exceptional sound quality throughout the vessel. Additional rod and cup holders have been added, providing ample space for fishing gear and beverages. The yacht is safeguarded with black Sunbrella covers for the center console and helm seats, along with OEM covers for the trolling motor, engine, and power pole, ensuring all components remain in immaculate condition.

A comprehensive 100/300 hour service was completed in June 2023, ensuring the yacht remains in peak operational condition. The vessel is equipped with a SIMRAD GO 12-inch display for navigation, a raw water washdown system, trim tabs, a Sea Star hydraulic jack plate, and an 8-inch Power Pole Blade. The Minn Kota Terrova 36V-72" trolling motor offers outstanding maneuverability, while the Suzuki 300 engine, with just 94 hours of use, provides dependable and powerful performance. This yacht is the perfect fusion of luxury and practicality, poised to deliver unforgettable experiences on the water.

Standard features

This yacht comes with a remarkable selection of standard features that blend functionality with luxury. At the front, you'll discover an anchor locker and a 10-gallon baitwell illuminated by LED lights, along with extra storage for baitwell below the deck. The vessel includes a one-year BoatFix subscription, offering system monitoring, troubleshooting, security checks, and a 24/7 helpline for your peace of mind. Bow storage is enhanced with a handy bucket ring, while the C10 color multi-function display (MFD) with a fuel filter provides vital information at a glance.

Fishing aficionados will value the eight console rod holders and the illuminated below-deck rod storage, which also accommodates eight rods. The yacht is equipped with a single battery switch, an extra-wide beam for stability, and foam flotation for added safety. The forward-facing console seat features an 11-gallon baitwell, and the high-speed livewell pickup ensures continuous fresh water flow. A large insulated fish box keeps your catch fresh, while blue LED courtesy lights and LED navigation lights enhance visibility and ambiance. The yacht is supported by a limited lifetime hull warranty, and the NMEA starter kit allows for seamless integration of electronic systems. Power assist steering and a powder-coated deluxe leaning post with flip-up bolsters and a flip-down footrest offer comfort and control. The powder coat package is available in either white or black, and premium Lumitec lighting is installed throughout the vessel. The self-bailing cockpit liner ensures easy maintenance, and stainless steel drink holders, gunwale mounts, hardware, fasteners, pop-up cleats, rub rail, telescoping boarding ladder, and thru-hull fittings add a touch of elegance and durability.

Additional features include four rod holders, a stainless steel tilt steering wheel with a power knob, and Transhield shipping and cowling covers. The transom contains an 18-gallon livewell, and a trolling motor plug with harness is

included for convenience. Two rear jump seats with storage provide extra seating and space, while upholstery color options in white with gray or tan accents allow for personalization. The yacht is crafted with a 100% wood-free hull and a 10-inch hydraulic jack plate, ensuring durability and performance. USB and 12V power outlets offer modern connectivity, making this yacht a perfect fusion of style, innovation, and practicality.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
