DETAILED DESCRIPTION

Section name

The 2200 Carolina Bay is an exceptional craft that seamlessly blends practicality with striking design, making it an ideal choice for those who value both performance and elegance in a bay boat. This model retains the generous casting deck and distinctive bow flair of its predecessor, the 2000, providing plenty of room for fishing and other pursuits. A particularly clever feature of the 2200 is the cast net storage built into the floor, offering a practical and efficient solution for anglers needing quick access to their gear.

Moreover, the boat is fitted with foldable jump seats, providing both flexibility and comfort for passengers, and facilitating smooth transitions between fishing and leisurely cruising. The 2200 also features 7-foot rod storage, accommodating serious anglers who need space for their gear without sacrificing the boat's streamlined design.

What truly distinguishes the 2200 Carolina Bay is its outstanding ride quality. This bay boat is designed to effortlessly tackle large bodies of water, ensuring a smooth and stable journey even in demanding conditions. Whether you're venturing into open waters or exploring coastal bays, the 2200 offers a performance that is both dependable and thrilling.

Features

The 2200 Carolina Bay is meticulously designed with an emphasis on strength and performance, featuring an array of standard elements that guarantee an exceptional boating experience. This vessel is crafted without the use of wood, eliminating worries about decay and ensuring long-lasting durability. It includes a 10-year transferable hull warranty, offering long-term assurance.

The hand-laid fiberglass hull is paired with foam flotation, boosting stability and safety on the water.

The fiberglass stringer system and self-draining cockpit are engineered for durability and easy upkeep, while the automatic bilge pump efficiently manages water. Aluminum backing plates enhance structural strength, and the navigational lights and horn are crucial for safe navigation. The vinylester barrier coat shields the hull, and the 56-gallon built-in fuel tank allows for long voyages without the need for frequent refueling.

Fishing aficionados will value the forward and rear casting decks, along with the 30 and 12-gallon aerated live wells with thru-hull pickup, which keep bait and catches fresh. The fish box offers extra storage for your catch. The center console is thoughtfully outfitted with a Plexiglas windscreen, a Yamaha gauge panel, and handy drink holders.

Stainless steel elements, such as thru hulls, rub rail, steering wheel with knob, hardware, bow rail, and rod holders, add elegance and durability. The boat includes recessed and vertical rod holders, as well as lockable rod storage for up to eight rods, ensuring your equipment is secure and organized. Floor storage for cast nets and a flip-flop helm seat enhance practicality.

Additional features comprise a trolling motor plug, anchor storage, forward console seat, and LED-illuminated live well. Cockpit courtesy lights and fiberglass hatches contribute to the vessel's convenience and style. The lockable electric box and flip-up rear seats offer versatility, while pull-up cleats simplify docking. With these extensive features, the 2200 Carolina Bay is crafted to satisfy the needs of both casual boaters and dedicated anglers.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
