OVERVIEW

A rare opportunity to acquire a Northern European-bred superyacht that exudes presence and provenance, generously volumed and unmistakable in profile. Launched by Feadship in 2010, with De Voogt Naval Architects sculpting her lines and Rodney Black Design composing the interiors, she marries striking, dramatic exterior shapes with a clever, highly adaptable multi-deck arrangement that serves both form and function.

Returning to her original shipyard in 2025 for a substantial refit and upgrades, she remains at the forefront of contemporary standards and a standout in today's market. Owned by one family from new and fastidiously cared for, LADY CHRISTINE is presented in exemplary condition with a comprehensive specification. Conceived for refined private living, this luxury motor yacht is a full displacement, ocean-going world cruiser with a flexible layout, wide-ranging amenities and true blue-water capability for global exploration.
