## OVERVIEW

---

A seldom offered Northern European built superyacht of notable provenance and commanding presence, boasting generous volume throughout. Launched by Feadship in 2010, her silhouette was composed by De Voogt Naval Architects while Rodney Black Design curated the interiors, marrying dramatic exterior lines with a clever, highly adaptable multi deck arrangement. In 2025 she returned to her original shipyard for a substantial refit and upgrades, ensuring she remains modern and competitive in today's superyacht market. Owned by a single family from new and fastidiously cared for, LADY CHRISTINE is presented in exemplary condition with a comprehensive specification. Conceived for refined private living, this luxury motor yacht is a full displacement, ocean going world cruiser featuring a flexible layout, wide ranging amenities and true blue water capability for global exploration.
