OVERVIEW

Conceived for the contemporary superyacht owner who seeks both exploration and refined living, LIVIA PLUS combines true go anywhere capability with the plush comforts of a luxury motor yacht. Her design emphasises alfresco enjoyment and wellness, with an architecturally driven beach club, a dedicated fitness studio and spa, and expansive outdoor zones, while practical expedition features — including a touch and go helipad and garages tailored for tenders and water toys — ready her for remote itineraries. Built on a robust steel hull and delivered to Bureau Veritas classification, she can also be specified with an Ice Class upon request.

The duplex owner's residence occupies the full beam and presents a private terrace, a lounge, a study and its own pool, while main deck VIP and guest staterooms open onto secluded outdoor retreats; the layout remains highly adaptable to owner preferences and a guest lift connects every deck.

Accommodation for up to fifteen crew is arranged across nine cabins, with thoughtfully organised service routes and dedicated back of house spaces to support long range cruising, and the captain's suite is located on the upper deck. With a generous 12.3 metre beam and 1,750 GT, LIVIA PLUS offers substantial volume within a refined, streamlined silhouette. Propelled by twin MTU 2,080 kW engines, she achieves a 15 knot maximum speed and an economical 12 knot cruising pace for extended passages, and delivery is scheduled 36 months from keel laying as specified.

DETAILED DESCRIPTION

Broker's view

LIVIA Plus is a striking next-generation 70 meter concept from the multi-award-winning Red Yacht Design in collaboration with RMK Marine, combining forward-thinking styling with practical delivery expectations — approximately 36 months — and a voluminous 1,750 GT of internal space. Her layout yields expansive deck areas and generous interior living zones, incorporating two Master suites and a highly adaptable accommodation plan that can be configured to host up to 10 guest cabins. Wellness and recreation are prioritized with extensive gym and spa facilities, while a dedicated helipad, guest elevator and the option for ice-class reinforcement add operational flexibility. Built by RMK Yachts, LIVIA Plus brings together proven yard craftsmanship and contemporary, attractive exterior lines with genuine long-range, global capability and a suite of lifestyle features tailored for discerning owners.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
