OVERVIEW

Harris Cruiser 230, 2022, by HARRIS. Length overall 23 ft.

A champagne finish with Black Edition powder-coated fence sets a refined tone, complemented by desert beige seagrass flooring and beach tan furniture for a bright, inviting deck.

Powered by a Mercury 150XL EFI 4 Stroke with hydraulic steering, it delivers smooth, confident performance from leisurely cruises to towable fun. The helm features a Simrad GO7 chartplotter/sonar for clear navigation and depth, while a Clarion stereo with four speakers supplies the day's soundtrack. A dual Bimini top with black frame casts generous shade when the sun is high.

At anchor, an extended rear swim platform, four-step telescoping stainless steel stern ladder, stainless steel ski tow bar, flip up cleats, and safety railing make water access effortless. Inside, the enhanced seating package brings U Lux high back seats, dual helm seats, stainless steel cupholders, and an upgraded steering wheel—ample space and comfort for everyone aboard.

A versatile, comfortable platform with the poise and practicality to make a full day on the water effortless.
