OVERVIEW

Sea Ray SPX 230, 2021, by SEA RAY — 23 ft LOA

Commanding style meets confident performance in this Sea Ray SPX 230, a 23-foot expression of modern day-boating elegance. Kept in Brick Township, NJ, it is powered by a single MERCRUISER ECT 4.5L producing 250 horsepower with just 156 hours, delivering brisk acceleration, poised handling, and a smooth, composed ride. A Simrad chartplotter with sonar provides clear guidance to every waypoint.

Attention to detail elevates every moment aboard. Sleek lines frame a generous, social cockpit, while optional SeaDek on the swim platform and Cockpit Infinity Woven Vinyl flooring feel supple underfoot and grip securely. Thoughtful amenities enhance the experience: Blue LED Lighting Package, bow and cockpit tables with dedicated storage, a bow walk-thru door, bow filler cushion, pump-out head, dual battery switch, and a fire suppression system.

Whether carving through an afternoon of watersports or easing into a sunset cruise, the SPX 230 couples agility with reassuring stability, making each outing effortless and memorable.
