DETAILED DESCRIPTION

Section name

The 239FS stands out in its category, featuring the most expansive cockpit available, making it perfect for both family excursions and serious fishing trips. This adaptable vessel is crafted with an emphasis on comfort, angling, and safety, ensuring every journey is both enjoyable and secure. The roomy cockpit allows for easy movement, while the bow lounge and aft bench seat, which comfortably seats five, provide relaxation and leisure for the entire family.

For passionate fishermen, the 239FS comes equipped with a variety of fishing amenities seamlessly integrated into its design. You'll discover rod racks and trolling rod holders conveniently positioned for easy access, along with a live well to keep your catch fresh. The macerated fish box is another well-thought-out feature, ensuring your fishing experience is both efficient and pleasurable.

In addition to its fishing prowess, the 239FS emphasizes family comfort with extra seating and storage solutions. The addition of a changing/potty room enhances convenience, making it easier to enjoy longer stays on the water. This yacht truly captures the spirit of a Family Sportsman, combining the excitement of fishing with the comforts of a relaxing day at sea.

Onboard features

This yacht is a testament to modern design, featuring an extensive range of amenities crafted to elevate both comfort and utility on the water. It comes with a solid ten-year hull warranty, providing long-term assurance. The Minn Kota Terrova trolling motor with GPS positioning and the Garmin multi-purpose display with GPS MAPNAV offer sophisticated navigation

options, while the Fusion Apollo sound system, with four speakers in the gunwale and two in the hardtop, ensures an outstanding audio experience. Communication is effortless with the VHF radio, complete with an antenna and GPS location. The premium independent flip bolster leaning post, which includes a 94-quart cooler, and the console seat with cushion and backrest, provide flexible seating arrangements. The full-width bench seat with a detachable bottom cushion enhances comfort, complemented by the stainless steel steering wheel and Sea Star hydraulic tilt steering for smooth handling. Built with a no wood-no rot hull in a striking Marathon blue, the yacht features a white rub rail with a stainless steel insert for extra durability. The enhanced hardtop includes a radio box, cargo net, integrated LED lights, rod holders, and powder-coated tubing, boosting both style and functionality. The center lean post is fitted with a sink, cutting board, and beverage holders, while dual helm seating with folding bolsters and armrests ensures a comfortable journey. The self-bailing cockpit, centered aerated live well, and molded fiberglass swim platform with ladder are designed for ease and safety. The molded anchor locker with anchor, compass, fish finder, and bilge pump with auto float switch further improve the vessel's capabilities. Interior and footrest LED lights in blue, along with LED livewell lights and seven-color underwater lights, create a welcoming atmosphere.

The yacht's build includes closed cell positive foam flotation and a console footrest/storage box. High-pressure wash down, bow cushions, backrests, and bolsters, along with a stainless steel propeller and recessed low profile bow rail, enhance the vessel's allure. The deluxe console features a windshield, stainless steel grab rail, and ample flush mount space, while the spacious console is perfect for a head with light.

Additional features include courtesy lights, a power outlet plug on the dash, four stainless-steel rod holders with drain, and gunwale rod storage for 8-foot rods. The foam-injected fiberglass stringer system, molded non-skid inner

liner, built-in fuel tank, and folding stern light ensure a secure and enjoyable experience. Cockpit bolsters, 12-inch trim tabs with indicators, and a black rubber rub rail boost the yacht's performance.

The forward macerated fish box, built-in easy access cooler box aft, and dual battery switch offer practical storage solutions. A pull-up forward cleat in the bow, Yamaha DEC CL5 display, console dash pad, and Sea Deck throughout with helm pad add to the vessel's luxury. Pop-up fender holders, a push button switch panel, deck-mounted rod holders, and a power-coated ski pole provide additional convenience.

The marine toilet with pump-out ensures comfort during longer voyages. This yacht includes features not listed here, and arranging a showing for a complete walkthrough and demonstration is highly recommended to fully appreciate its potential.
