OVERVIEW

Experience the Sophistication of the 2024 242 Yacht

Welcome aboard the breathtaking 2024 242 yacht, a marvel of design and craftsmanship that elevates luxury to new heights on the water. Measuring 23 feet in length, this remarkable vessel is meticulously designed for those who crave both excitement and relaxation. The 242 is more than just a yacht; it's an invitation to embrace the open waters while savoring life's finest pleasures.

Situated in the heart of the United States, this yacht is a rare find in the current market, offering an unmatched experience for discerning buyers. The sleek hull, crafted from fiberglass and plastic, not only guarantees durability but also enhances performance, ensuring every voyage is smooth and exhilarating. With a substantial fuel capacity of 102 gallons, you can set out on long journeys without concern, allowing you to fully appreciate the ocean's splendor.

Powered by a dependable Mercury engine, the 242 delivers an ideal mix of power and efficiency. Whether you're gliding along the coast or navigating tranquil waters, this yacht promises an exhilarating ride that will leave you in awe. The thoughtfully crafted deck, also made from fiberglass, provides ample space for relaxation and entertainment, making it perfect for hosting gatherings or enjoying a peaceful day in the sun.

As you explore the yacht market in the current location, you'll discover that the 242 distinguishes itself not only through its performance but also with its luxurious features. The interior is designed with elegance, offering a cozy yet refined ambiance that invites relaxation after a day of exploration. Every detail is carefully considered to ensure your comfort, making this yacht a true sanctuary on the water.

For those seeking a yacht that seamlessly blends style, comfort, and performance, the 2024 242 is the ideal choice. Don't miss the chance to own this extraordinary vessel, where every journey becomes a treasured memory.

Embrace the allure of the open sea and the luxury of the 242—your next adventure is on the horizon!

DETAILED DESCRIPTION

Customizable boat

Presenting the Customizable Boat: Panhandle, showcasing the Sea Po 242 CC, a flexible craft that can be equipped with engines from Suzuki, Mercury, or Yamaha. This vessel is crafted to provide extra room and superior comfort for offshore adventures, all while being offered at a competitive price. The 242 model is specifically designed to resist osmotic blistering, with its hull sides and deck compartments filled with foam and protected by a vinyl ester barrier. This innovative design not only guarantees a quieter journey but also enhances insulation for fish or cooler boxes, boosting overall safety. The hulls and decks receive an initial gel coat treatment, followed by a vinyl ester barrier coat applied to all hulls below the waterline, effectively preventing osmotic blistering. To further refine the boat's look, capping knuckles and hull sides are also gel coated. Each model features a distinctive, one-piece finished and gel-coated stringer system, bonded to the hull with Methacrylate for a strong chemical bond. These stringer systems are fully gel coated to inhibit mold growth and ease maintenance, ensuring your boat stays in immaculate condition with minimal upkeep. The Panhandle's meticulous design and attention to detail make it an exceptional choice for those in search of a customizable and dependable offshore vessel.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
