## Standard Key Features

---

This yacht exemplifies the pinnacle of design and utility, featuring an impressive collection of elements that appeal to both visual elegance and practical functionality. The exterior showcases a Flat Panel Matte Black fence, accented with Black Sapphire, while the Powder Coat Fence is finished in a refined Black Edition. The furniture is tastefully designed in Moonlight Gray, and the flooring features a stylish Stone Gray Seagrass, creating a cohesive and contemporary aesthetic.

Equipped with a Deluxe Tower, the yacht's sleek profile is further enhanced, providing additional utility. For convenience and safety, it includes a 12V DC Receptacle and a GPS Speedometer for precise navigation. A lockable glovebox offers secure storage for personal belongings, and the helm storage door contributes to the yacht's ample storage options.

Steering is made effortless with tilt and hydraulic steering systems, ensuring smooth maneuverability in any condition. The extended rear deck and swim platform provide ample space for relaxation and water activities, while the fenced mounted docking lights improve visibility during docking.

Additional features include gate floor stops and a 4-step telescoping stainless steel ladder, ensuring safe and easy boarding and disembarking.

Entertainment is readily available with a Clarion Bluetooth stereo system, and USB charging ports are conveniently placed for all your devices. The yacht's performance is further optimized by a full-length keel and lifting strakes, ensuring a stable and efficient journey.

## Optional features

---

This yacht boasts a remarkable selection of optional features that significantly boost both its performance and comfort. At the helm, you'll discover a single RFL with standard dual helm seats, offering a commanding view and superior control. The Performance Package Level 2, which includes a ski tow bar, is standard, ensuring exhilarating water sports experiences. For those exploring saltwater conditions, the Salt Water Package for 25" tubes provides extra protection and longevity.

The yacht's visual allure is enhanced by the deluxe black tower paired with a matching black bimini, also standard. The U-Lux high-back seats with dual helm seating offer luxurious comfort, while the captain's seat is height-adjustable and includes a slider and swivel for tailored comfort.

Top-tier navigation and entertainment are ensured with the Simrad G09 chart plotter and sonar, along with a stereo upgrade package that delivers exceptional sound quality. Black seat covers add elegance and protection, while the double battery selector switch guarantees dependable power management.

Meticulous attention to detail is evident with stainless steel cupholders, ambient rope lighting, and midship mooring eyes for secure docking. Safety is a priority with the inclusion of a safety rail, making this yacht not only a joy to operate but also a secure and stylish option for any yachting enthusiast.
