OVERVIEW

NEW ARRIVAL - SECURE YOUR YACHT NOW FOR SPRING DELIVERY

With its elegant contours, cutting-edge design, and exceptional performance, the 240 XSF stands out as the premier vessel in its category. Crafted on our groundbreaking NuV3 fuel-efficient hull, this forward-facing center console is primed for adventure on the open seas while also being economical at the fuel dock. We've enhanced the design with a longer outboard shaft, eliminating the need for a transom splash well and providing a spacious, level swim platform for safer access and enjoyment. The yacht is adorned with LED lighting, including ambient rope lights and distinctive underside hardtop illumination, perfect for those early morning, twilight, or nighttime outings. Among the many standard features are a foldable stern seat, an aerated transom bait well, forward lounge seating with a fish/storage box and overboard pump-out, and a powder-coated elite leaning post equipped with a cooler, rod holders, and cup holders. This yacht for sale is a must-see for anyone looking to buy a yacht in the current boat location, making it a prime choice in yacht sales in the area.
