OVERVIEW

Presenting the 2020 Twin Vee 230 JP CC, a refined center-console power catamaran that marries performance and poise. At 23 feet overall, her fiberglass twin hulls provide remarkable stability and fuel-efficient glide, yielding a smooth, confident ride whether carving offshore swells or cruising coastal waters. A reliable 150 hp Suzuki outboard drives her to an economical cruise of about 34 mph with a top end approaching 40 mph, and acceleration is sharpened by a stainless 3 blade prop; the engine has been carefully maintained and records just 435 hours. The generous deck layout thoughtfully balances angler-focused functionality, plentiful storage and comfortable family space, making her equally suited to saltwater sportfishing trips, inshore adventures or easy trailering for dayboat outings. Finished with practical amenities and attention to craft, this center console offers a polished synthesis of speed, comfort and dependability.

Included Accessories:

Stainless-steel props

Livewell

Raw-water washdown

Transom shower

Rigid T-top hardtop

LED lighting

12" Garmin MFD

Fusion stereo with four speakers

New cushions (stored, never used)
