## GENERAL DESCRIPTION

This Hydrasports Seahorse 23 is a robust and adaptable center console, ideal for both angling adventures and family outings on the water.

## ACTUAL CONDITION

The 23' Hydrasports Seahorse is a family-oriented center console designed for fishing. It has been upgraded with a 2018 Evinrude E-TEC 200 H.O. (2-stroke) engine, boasting 928 hours and ready for more escapades. With Kevlar stringers, elevated gunnels, and secure rails, it ensures durability and safety for children.

Outfitted with a Simrad Go9 display and 2023 Halo 20 Radar, this vessel is prepared for confident navigation. The 30-gallon live well, 109-gallon fuel tank, and 3-gallon XD100 oil tank make it perfect for extended days at sea.

Additional features include 360-degree deck lighting, shore power connection with dual battery chargers, and a spacious portapotty for longer trips. A boat cover and a 2005 5-Star trailer are also part of the package. Although the trailer lacks brakes, it remains in good condition. The owners have upgraded to a larger yacht but have maintained this one with care and will certainly miss it.
