# DETAILED DESCRIPTION

---

## Section name

---

This exquisite yacht boasts a stunning Walk-Thru Air-Dam, designed for ease of access and enhanced functionality, featuring a sleek slide-in mechanism. The exterior is adorned with a captivating Galaxy Graphic, perfectly complemented by the Chromax Black Chrome Finish with Illusion Frost, exuding an aura of sophistication and modern elegance.

The yacht's color scheme is a harmonious blend of Mystic White and Reef Blue, creating a striking visual appeal. The interior deck, forward stripe, and main stripe all showcase the pristine Mystic White, while the accent color, hull bottom, platform, design package, primary interior, and INT main stripe are all beautifully rendered in the vibrant Reef Blue. This color palette is further enhanced by the Tungsten Grey accent piping, adding a subtle yet distinctive contrast.

The seat boxing and thread color continue the theme with Reef Blue, while the featured texture color returns to Mystic White, ensuring a cohesive and stylish interior. The non-skid surfaces are finished in Mocha Brown, providing both safety and a touch of warmth to the overall design.

Notably, this yacht does not include a trailer, emphasizing its status as a luxurious and exclusive vessel. Every detail, from the Walk-Thru Air-Dam to the carefully selected color combinations, has been meticulously crafted to offer an unparalleled yachting experience.

## Manufacturer options

---

This yacht is powered by the robust H6 Direct Injection 6.2L engine, ensuring a powerful and efficient performance on the water. The design package includes

an upgraded windshield with vents and color accents on the tower, enhancing both the aesthetic appeal and functionality of the vessel. The enhanced courtesy lighting package adds a touch of elegance and visibility, perfect for evening cruises.

For audio enthusiasts, the yacht is equipped with a pair of 8.8 JL M-Series tower speakers, delivering exceptional sound quality. The tower accessories include a bimini that is tower-mounted with surf pockets, providing shade and storage for your gear. Additionally, the tower speakers are supported by a pre-wired JL M Series Studio prep kit with an 8-channel amplifier, ensuring a seamless audio experience.

The tower shock is rated at 500#, providing stability and support for the tower structure. Navigation is made easy with standard US maps, and the yacht is protected by a towable/mooring cover with an anti-pooling system, designed to keep the vessel in pristine condition.

Optional features elevate the yacht's functionality and luxury. It is equipped with a GoPro Ready Quick Mount with dual transom attachments, underwater lights for a captivating ambiance, and the LINC Panoray avionics maps for advanced navigation. The Nautique Integrated Steering Assist and Surf Select with Surf Switch offer enhanced control and maneuverability. The ultra-premium steering wheel, hand-stitched in leather, adds a touch of sophistication to the helm.

The stereo system is a highlight, featuring the M Series Studio Elite for superior sound quality, complemented by a transom-mounted remote control for convenience. Every detail of this yacht has been meticulously crafted to provide an unparalleled experience on the water, combining performance, luxury, and cutting-edge technology.
