OVERVIEW

Displayed price is an indicator only, and courteous consideration will be given to all serious offers. The 2019 Sea Ray 230 SPX is an exquisitely executed open-bow sport boat that marries athletic performance with refined comfort in a nimble, trailerable package well suited to both coastal cruising and inland lakes. Its clean, contemporary profile and lively, responsive powertrain inspire confidence: she tracks sure-footedly and surges with authority, equally adept at carving precise turns for waterskiing and wakeboarding or easing into a languid afternoon cruise. This 23-foot bowrider, a premium runabout and dayboat, captures the luxury sport boat ethos through refined fit and finish throughout, delivering a driving experience that is at once thrilling and effortless.

A spacious cockpit invites family and friends aboard, where ergonomically arranged seating, sumptuous upholstery, and abundant storage lift everyday outings into something special. A sleek wake tower punctuates the silhouette while a thoughtfully designed swim platform underscores Sea Ray's well-known build quality and attention to detail, all combining to enhance both form and function for watersports and leisure alike. As a versatile sport boat and runabout, the 230 SPX balances spirited handling with comfortable accommodations for day trips and lake life.

Reported to have been used only in freshwater and showing under 100 engine hours, this 230 SPX presented well and fired promptly at pickup. Prospective buyers are encouraged to inspect with confidence and to submit offers; opportunities to acquire a low-hour family cruiser and lake boat of this caliber are uncommon. Please note that a trailer is not included with the sale, though suitable trailers can be sourced separately if required. Nationwide transport can be arranged through reputable carriers, and custom cradles and port delivery are available for international shipment to simplify logistics and export

planning.

No representation is made regarding the condition of engines or machinery, and buyers remain solely responsible for inspection and assessment.

Photographs may include the engine compartment and related systems, yet such images should not be construed as a warranty or guarantee of operating status. Do not assume that accessories or loose equipment are present offsite or in storage; the vessel is offered strictly as inspected and as equipped at the time of viewing, and offers should reflect what is observed on site.

All particulars are presented in good faith but are not guaranteed, and neither the accuracy nor the condition of the vessel can be warranted. Buyers are encouraged to verify any details they consider material. This listing is subject to prior sale, price adjustment, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranties expressed or implied, including any warranties of merchantability or fitness for a particular purpose, and no verbal agreements shall apply. For those seeking a luxury bowrider, sport boat, runabout, or versatile dayboat with genuine watersports capability, the 2019 Sea Ray 230 SPX remains a compelling and elegant choice.
