OVERVIEW

Current Condition

Experience the excitement of navigating the waters with this 23' Yamaha SX 230 jet boat! While it offers the promise of exhilarating adventures, please be aware that it is a project vessel requiring some additional care and attention before it can set sail.

As shown in the accompanying images, the boat's upholstery needs to be replaced, as the existing fabric is in less than ideal shape. However, significant upgrades have been made to the starboard engine, including a new impeller, ECU, and fuel pump, which enhance its performance potential.

Why is this Yamaha available for purchase? The current owner has upgraded to a newer Yamaha model, leaving this gem in need of a new caretaker. This is your chance to step in!

Attention all skilled and mechanically savvy enthusiasts—this is a fantastic opportunity to restore and revitalize this Yamaha jet boat to its former splendor. Don't let this chance slip away!

Submit your best offers, and let's work together to get this Yamaha SX 230 back on the water where it truly belongs. Reach out today to express your interest and present your offers for consideration.
