OVERVIEW

Displayed price is an estimate; all reasonable offers are welcomed.

The 2017 Sweetwater 2286 DL presents as an elegant 22-foot pontoon crafted for relaxed, indulgent days on the water. Propelled by a Suzuki 115 hp four-stroke outboard, this luxury Day Boat and Deck Boat offers smooth, fuel-efficient propulsion and a hushed confidence befitting a Family Cruiser. Its layout favors conviviality and comfort: deep, plush lounge seating flows into a broad, open deck ideal for entertaining, while plentiful lockers and compartments keep gear and watersports toys neatly stowed. The helm is ergonomically arranged for simple, unhurried command, and the solid construction promises many seasons of enjoyment whether cruising lakes, threading rivers, or exploring calm coastal waters. Perfect for leisurely runs, anchor-outs, sandbar gatherings, and sunset soirées, the 2286 DL combines comfort, flexibility, and dependable performance into a consummate Leisure Craft and party-ready barge.

At pickup, this 2017 Sweetwater 2286 DL with the Suzuki 115 outboard started, shifted, and ran properly. It appears ready for use and the outboard presents well. Upholstery shows discoloration and staining that may not completely lift, though stitching remains intact and no rips or tears were observed. Overall structure appears sound. Prospective buyers are encouraged to inspect the vessel in person and bid with confidence.

No trailer is included with this sale.

Nationwide marine transport can be arranged through qualified carriers, and coordination for custom cradles or delivery to port for international shipment is available upon request.
