## OVERVIEW

---

Wooden Boats continues to impress, solidifying its position as a leader in innovative designs with its Custom Limousine Tender line.

Skip the lengthy two-year wait with this stunning 7.5M Limo tender, now available for immediate acquisition.

The interior is designed for versatility, easily transforming from a luxurious 6-8 single seat "VIP" arrangement to a spacious 14-seat double bench setup, thanks to convenient pop-down armrests. Enjoy the ultimate comfort while navigating between your yacht and the harbor, as the cabin is equipped with full air conditioning. Additionally, the soundproofed cabin features a comprehensive Bluetooth audio streaming system, ensuring the festivities continue uninterrupted.

Access is a breeze with forward and aft sliding glass doors, facilitating smooth entry via the bow ramp or the aft platform. The vessel boasts elegant teak-laid flooring throughout, complete with drainage for added practicality.

This yacht for sale comes with a manufacturer's warranty.

The build process was meticulously overseen by Winterbothams Surveyors.

The vessel has never been registered and will be officially registered under the new owner's name.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and sophistication.

## Specifications

---

Introducing the Custom Limo Tender, a masterpiece crafted by Wooden Boats in 2023, designed with precision by the renowned Studio Arnaboldi. This exquisite vessel measures 7.5 meters in length, with a beam of 2.55 meters and a draft of 0.6 meters, offering a perfect blend of elegance and performance. The hull and superstructure are constructed from GRP Carbon Fibre Reinforced materials, ensuring both strength and lightweight agility, all finished in a pristine white hue. Classified under CE category B, this tender is built to navigate with confidence.

Powered by a robust Mercury 270HP inboard diesel engine with a sterndrive, the Custom Limo Tender boasts a top speed of 36 knots and a comfortable cruising speed of 25 knots. The fuel capacity of 300 liters and a water tank of 50 liters ensure extended journeys with ease. Accommodating up to 12 guests and 2 crew members, this vessel is designed for both luxury and functionality. The onboard machinery includes a sophisticated Zipwakes IT300-S trim system with auto trim and auto list functions, controlled from the dashboard, and an electric bow thruster by Vetus, providing 35kgf of thrust for precise maneuvering. The tender is equipped with a 12,000 BTU air conditioning system powered by additional batteries, ensuring comfort in all climates. For communication, the Raymarine 49E VHF system is installed, while navigation is facilitated by a Raymarine Chart Plotter with Sounder and a magnetic compass. The electrical system features a shore power connection of 110-220V with a 16A pole and earth, Euro style inlet, and three interchangeable 12V AGM service and engine batteries.

This Custom Limo Tender is not just a vessel; it is a statement of luxury and engineering excellence, ready to deliver an unparalleled yachting experience.
