DETAILED DESCRIPTION

Alfastreet Yachts 25 Cabin Yamaha

The 2021 Alfastreet Yachts 25 Cabin Yamaha is a remarkable vessel that combines elegance with performance. This demo model, originally built for the Cannes Boat Show 2021, is now available for sale in Belgrade, Serbia. With a retail price of EUR 147,290, this yacht offers an exceptional blend of luxury and functionality.

Measuring 8.40 meters in length with a beam of 2.40 meters, the yacht boasts a sleek and modern design. Its hull, crafted from durable GRP material, is finished in a sophisticated grey color, while the deck is painted in pure grey, and the roof is an elegant anthracite. The hull color is a striking combination of white with an underwater black finish, ensuring it stands out on the water.

Powered by a Yamaha 250 DEX engine, this yacht delivers an impressive 250 HP, allowing for a cruising speed of 22 knots and a maximum speed of 34 knots. The engine, a four-stroke outboard model, has only 20 hours of use, making it practically new. The fuel tank holds 270 liters of unleaded fuel, while the fresh water tank has a capacity of 100 liters.

Inside, the yacht is designed for comfort and convenience. It features one cabin with two berths, a wooden closet, and an electric toilet with a vacuum pump and self-priming macerator. The galley is equipped with a washbasin, faucet, and a one-position gas cooker, complemented by a 30-liter fridge drawer. For entertainment, the yacht includes a Raymarine Axiom 7 navigation system with DTS, and a FUSION radio with USB, Wi-Fi, and Bluetooth connectivity, complete with a touchscreen LCD display and four marine speakers.

The exterior is equally impressive, featuring a stainless steel iron polished bow roller, windlass, and a mirror-polished anchor with a 5 kg weight and 25

meters of stainless steel chain. The cockpit is enhanced with an LED ambient lighting package, including decorative console and indirect seating illumination. Additional features include a bimini, a height-adjustable teak HPL TEAK folding table with four drink holders, and a LEWMAR bow thruster with a single joystick.

For those who enjoy sunbathing, the yacht offers UV-resistant and waterproof cushions on the bow, as well as a stern sunbed cover. A cold shower is available on the bathing platform for added convenience. The yacht is certified for inshore use with a CE Design Category of C and can accommodate up to eight persons.

Optional extras include an antifouling application, ensuring the yacht remains in pristine condition. Transport from Belgrade to Monaco is available for an additional 1,500 Euro. This Alfastreet Yachts 25 Cabin Yamaha is a perfect blend of style, performance, and luxury, making it an ideal choice for discerning yacht enthusiasts.
