OVERVIEW

****Discover the Elegance of the 2001 Sea Ray Yacht**** Step aboard the exquisite 2001 Sea Ray yacht, a masterpiece of nautical engineering and design, currently located in the sun-drenched waters of Spain. This stunning vessel, available for sale, offers an unparalleled opportunity to own a piece of maritime luxury. With its sleek 24-foot length overall, this yacht is a perfect blend of performance and style, making it an ideal choice for those looking to buy a yacht that promises both adventure and comfort. Crafted with precision, the Sea Ray's monohull is constructed from a robust combination of fiberglass and plastic, ensuring durability and a smooth ride across the waves. The graceful lines of the hull, designed by the renowned SEA RAY team, are complemented by a deck made from high-quality GRP, providing a solid and elegant platform for your nautical escapades. Inside, the yacht's interior, also designed by SEA RAY, exudes sophistication and comfort. Every detail has been meticulously crafted to create a welcoming and luxurious environment, perfect for entertaining guests or enjoying a peaceful retreat on the water. The spacious beam of 8 feet allows for ample room to relax and unwind, while the thoughtful layout ensures every inch of space is utilized to its fullest potential. Powered by a single Mercruiser engine, this yacht boasts an impressive cruising speed of 25 knots, offering both power and efficiency. The I/O engine type, fueled by gas/petrol, ensures a reliable and exhilarating performance, whether you're exploring coastal waters or embarking on longer voyages. For those interested in yacht sales in the current boat location, this Sea Ray represents an exceptional opportunity. Its combination of timeless design, superior craftsmanship, and modern amenities make it a standout choice in the world of yacht sales. Don't miss the chance to own this remarkable vessel and experience the ultimate in luxury boating. Embark on your next adventure with the 2001 Sea Ray yacht, where elegance meets performance on the open sea.
