DETAILED DESCRIPTION

Standard Key Features

Rewritten Description

This yacht is a remarkable fusion of style and practicality, featuring an exterior in an elegant White/Phantom Gray CCB color palette, highlighted by a Tropical-themed cockpit and a bold white stripe. The vessel is outfitted with stainless steel bow and stern eyes, cleats, rub rail, bow rails, and thru-hull fittings, offering both resilience and sophistication. Its sturdy build is further reinforced by fiberglass stringers and a full-frame curved windshield, providing both durability and a sleek look.

The yacht includes a swim platform and a bow ladder for effortless water access, while the AFT convertible sun lounge provides an ideal spot for unwinding. The walk-thru transom design allows for easy movement throughout the vessel. Inside, the fiberglass liner is non-skid and self-bailing, ensuring safety and easy upkeep. For added convenience, carry-on coolers are provided, and a ski locker is built into the floor to store all your water sports gear.

Comfort is a priority with bucket seats that have flip-up bolsters, offering adjustable seating options. Entertainment is readily available with a stereo system that features AM/FM, Bluetooth, and a USB charging port. The port console is carefully designed with a Porta Potti, sink, and fresh water system, ensuring all the comforts of home are present. There is ample storage beneath the seats, keeping the deck tidy and organized.

Lastly, the yacht is supported by the Winning Edge Protection Plan and incorporates Stable Vee Next Gen technology, guaranteeing a smooth and

stable ride. This vessel is an ideal combination of luxury, performance, and functionality, making it perfect for both relaxing cruises and exciting adventures.

Optional features

Rewritten Description

This yacht comes with a variety of optional features that elevate both comfort and functionality, transforming every journey into a lavish experience. The transom and bow showers offer easy rinsing after a swim, while the black cockpit and forward cover shield you from the elements. For added convenience, the yacht is fitted with an electric toilet in the head, providing modern comfort on board.

Entertainment and user-friendliness are emphasized with a stereo remote at the transom, allowing you to effortlessly manage your music. The electric white wake tower with canvas not only enhances the yacht's sleek appearance but also facilitates water sports activities. Underwater LED lighting sets a mesmerizing mood during evening cruises, and the GPS plotter ensures accurate navigation.

Dining and socializing are simplified with a table that can be positioned at the bow, cockpit, and swim platform, offering flexible options for gatherings. The LX Package further boosts the yacht's allure, featuring a bimini top for shade, a bow scuff plate for protection, pull-up cleats for convenience, and cockpit reed flooring for a touch of elegance.

For peak performance, the yacht is equipped with trim tabs with LED indicators, ensuring smooth and efficient handling. The head is enhanced with a wood floor, adding a layer of sophistication to the interior. Lastly, the windlass with anchor, rope, and chain guarantees secure anchoring, making

this yacht an ideal combination of luxury and practicality.
