DETAILED DESCRIPTION

Standard Key Features

This yacht exemplifies the pinnacle of design and utility, boasting a range of features that guarantee both comfort and practicality while at sea. The self-draining cockpit is a highlight, simplifying upkeep and ensuring efficient water management. For those who prefer trailering their yacht, a handy ring for trailer attachment is included. The stainless steel pulpit not only adds a sophisticated touch but also boosts safety and longevity.

Anchoring is a breeze with the self-draining anchor locker, and the combination of manual and electric bilge pumps keeps the yacht dry and secure in any situation. The sleek black transparent sliding Plexi door provides a contemporary look and easy access to the interior. For those who value direct entry from the front cockpit, the opening hatch is a well-considered feature.

The yacht's seating is crafted for ultimate comfort and adaptability. The large, adjustable bolster seats for the pilot and co-pilot offer a personalized seating experience. The AFT cockpit bench and folding AFT bench ensure plenty of seating options, while the swim platform locker provides extra storage. The forward cockpit salon is ideal for social gatherings, and the seat in front of the console offers a comfortable place to unwind and take in the scenery.

Every aspect of this yacht has been meticulously designed to deliver an outstanding experience on the water, making it an ideal choice for both experienced sailors and those new to yachting.

Optional features

This yacht boasts a remarkable selection of optional features that take the

onboard experience to extraordinary levels. Central to the cockpit is a leaning post equipped with a galley and an exterior fridge, providing a practical area for preparing refreshments, ensuring you and your guests are always well-served. The premiere trim level enhances both the visual and functional appeal of the yacht, while the upgraded electronics package keeps cutting-edge technology at your disposal.

For audiophiles, the audio pack offers an immersive sound experience. The mooring and anchoring kits include all the essential equipment for secure docking and anchoring, ensuring your nautical adventures are hassle-free. The dark smoke sunshades for both the AFT and front cockpit T-Top shield you from the sun, allowing for comfortable outdoor enjoyment. The aluminum T-Top with a fiberglass roof adds a sturdy and stylish touch to the yacht's design.

Water sports lovers will value the ski mast (arch), ideal for towing activities. The polyester swim platform offers a robust and spacious area for swimming and relaxation. The cockpit table is perfect for dining under the open sky, while the backrests for the AFT cockpit side seats and the forward cockpit backrest, along with the removable forward-facing backrest, provide comfort for all on board. The backrest on the front console adds an extra layer of comfort.

The bow thruster enhances maneuverability, and the shore power socket with a battery charger ensures your yacht is always prepared for the next voyage. LED lights in the cockpit create a welcoming atmosphere, while the double berth complement and mattress in the front cabin offer a snug sleeping space. The marine toilet with a holding tank provides convenience and privacy. Automatic trim tabs by Zipwake guarantee optimal performance and stability, and the horn is an essential safety feature.

Each optional feature has been carefully chosen to enrich your yachting experience, making this vessel an ideal combination of luxury, comfort, and functionality.
