DETAILED DESCRIPTION

Features

The 2017 Pathfinder 2500 Hybrid, built by Maverick Boat Group, Inc., artfully combines shallow-water agility with offshore assurance, measuring 24'9" overall with an 8'6" beam and an approximate 13.5" draft. A robust fiberglass hull and a fixed hard top ensure a stable, refined ride while offering welcome shelter from the sun. Propulsion is provided by a Yamaha F300NCA 300HP four-stroke outboard with approximately 540 engine hours, delivering an effortless cruise near 35 mph and exhilaration to a top speed of about 55 mph, supported by a 67-gallon fuel capacity for extended passages. The helm is comprehensively equipped with a Garmin GPSMAP 7410xsv, Garmin VHF 215 AIS Marine Radio, Garmin GHC 20 Autopilot and a Yamaha information station display, while station-keeping and finesse are supplied by a Minn Kota Terrova 36V 112lb trolling motor and a Power-Pole Blade shallow water anchor for quiet, precise positioning. Onboard enjoyment is curated through Fusion marine audio paired with Sony marine speakers, and protection is thoughtfully provided by engine, helm seat and console covers. Lying in Fort Lauderdale, Florida, this Pathfinder is ready to elevate every day spent on the water.

Main description

This 2017 Pathfinder 2500 Hybrid, crafted by Maverick Boat Group, Inc., artfully combines the shallow-water accessibility, angling-focused functionality, and confident handling that have long defined Pathfinder in the bay- and flats-boat market. Measuring 24'9" overall with an 8'6" beam and an approximate 13.5" draft, the smart hybrid layout is tailored to anglers who want to run inshore, hunt skinny-water flats, and still cover coastal cruising grounds with ease. Built on durable fiberglass construction, the boat is fitted with a hard top and a

clean, open deck plan that makes it equally suited to serious fishing, leisurely sandbar days, or the varied demands of South Florida waters. Power is supplied by a Yamaha F300NCA 300HP four-stroke outboard with approximately 540 hours, producing an estimated cruise near 35 mph and a top speed around 55 mph. A comprehensive electronics and fishing suite centers on a Garmin GPSMAP 7410xsv chartplotter and includes a Garmin VHF 215 AIS Marine Radio, Garmin GHC 20 Marine Autopilot Control Unit, and Yamaha information display, complemented by a Minn Kota Terrova 36V 112 lb trolling motor and a Power-Pole Blade shallow-water anchor. Additional amenities such as Fusion marine audio, Sony marine speakers, protective covers for the engine, helm seat, and console, and a 67-gallon fuel capacity enhance comfort and range. Located in Fort Lauderdale, Florida, this Pathfinder 2500 Hybrid offers a well-equipped, highly capable shallow-water fishing platform with reliable Yamaha power and the proven performance of Pathfinder design.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
