OVERVIEW

Elevate every voyage aboard this immaculate 2022 Yamaha 255 FSH Sport E, a refined center-console that blends exhilarating performance with graceful lines. With only 34 hours on the odometer, the twin Yamaha SVHO 1.8L supercharged engines deliver immediate, muscular acceleration while remaining virtually showroom-fresh. The jet-drive propulsion provides confident, precise handling, superb low-draft capability for shallow water, and nimble maneuvering in tight quarters, making this boat equally adept for spirited runs and easy inlets.

The deck layout is thoughtfully arranged for versatility: broad gunwales and generous bow seating create comfortable cruising and entertaining zones, while the plan also supports serious sport-fishing pursuits. A robust fiberglass hardtop shelters the helm and incorporates integrated lighting and a premium audio system for refined comfort and ambiance. A professional electronics package, centered on touchscreen displays with navigation/GPS and full audio integration, equips the helm with intuitive control and modern situational awareness.

Storage is clever and ample throughout the craft, with dedicated spaces for tackle, water toys, coolers, and personal gear, and a full-width swim platform with boarding ladder ensures effortless water access. Contemporary styling paired with crisp, clean finishes and Yamaha's renowned build quality make an unmistakable statement of craftsmanship and durability. Rated to carry a roomy complement of family and friends, this 2022 model remains in excellent, nearly new condition.

Perfect as a premium sport-fishing dayboat that doubles as an elegant family cruiser or a capable yacht tender, she performs comfortably offshore as well as in bays and sandbar scenes. Preliminary photography is provided; additional images will be available soon.
