OVERVIEW

PRICE SHOWN IS INDICATIVE. ALL SERIOUS OFFERS WELCOMED.

The 2014 Regal FasDeck 24, often referred to as the 24 FasTrac or 24 DB, marries athletic performance with refined day boat luxury. At 24'3" in length and an 8'6" beam, this deck boat offers an expansive social cockpit that comfortably accommodates up to 13 guests while remaining tow friendly and storable in many garages. The FasTrac influenced running surface channels the output of a V8 sterndrive (rated 270–300 hp) into brisk acceleration, confident cornering and steady tracking through light chop, so every throttle movement feels purposeful and sure.

On deck the layout favors conviviality and ease: deep, secure bow seating that invites relaxation, a walkthrough windshield for seamless movement, aft lounges that convert to a generous sun pad, and a neatly finished enclosed head—ideal for cruising, tow sports, sandbar gatherings or elegant sunset runs with family and friends. Practical touches such as an integrated swim platform, fore and aft boarding ladders, abundant, well placed storage and stainless drink holders complete the thoughtful arrangement, delivering a polished balance of agility, comfort and adaptable space that keeps the FasDeck 24 in demand among discerning boaters.

Category keywords: Deck Boat, Bowrider, Day Boat, Runabout, Sport Boat, Powerboat.

This 24' FasDeck features Regal's FasTrac hull for enhanced speed and fuel efficiency and is powered by a Volvo Penta 5.7L V8 (270 hp) DuoProp sterndrive showing approximately 310 hours. The vessel is reported to run and was last in operation August 2025. Note that an oil pan replacement is required. The cockpit follows a classic bowrider plan with wraparound seating, plentiful storage and stainless drink holders. Amenities include an enclosed head with pump out, dual swim platforms with a stainless ladder and ample

entertaining room. A low hour, versatile day boat that will benefit from some TLC and a thorough detailing—readying it for your next season on the water. Bring your best offer.

No trailer is included with this sale. Trailers may be sourced separately. Custom cradles and export preparation to port can be arranged through third party providers.

Please review the Motors and Machinery Disclaimer.

Nationwide transport can be coordinated through certified marine carriers. Custom cradles and port delivery for overseas shipment are available. Quotes provided on request.

Motors and Machinery Disclaimer:

No representation is made regarding the condition of engines, generators, or onboard machinery. Photos may depict mechanical spaces; however, it is solely the buyer's responsibility to inspect and verify actual operating status. Do not assume any accessories or loose gear are included or in storage. The vessel is sold exactly as viewed. Bid or offer based on the equipment present at inspection.

General Disclaimer:

Information is offered in good faith but without guarantee or warranty of accuracy or vessel condition. Buyers are encouraged to independently verify all particulars. Subject to prior sale, price change, or withdrawal without notice. All marine assets, brokered or owned, are sold AS IS, WHERE IS, WITH NO WARRANTY EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No verbal agreements shall alter the terms of sale.
