OVERVIEW

Picture yourself tracing the horizon aboard a 24 Contender, where Atlantic Yacht and Ship assembles a distinctive center console tailored to the way you boat. Whether you're reef diving, chasing offshore sportfish, or drifting on a sun-drenched sandbar, this adaptable sportfish dayboat is tuned for every excursion. The 24 Sport carries a generous 130-gallon fuel capacity and returns outstanding fuel economy—better than 2.5 mpg at 30 mph when powered by the Yamaha F300. Constructed by dedicated craftsmen in Homestead, Florida, every hull is bespoke, finished from the stringers up to reflect your priorities. With Atlantic Yacht and Ship you step aboard a refined offshore/inshore fishing vessel that also performs as a family-friendly tender and an all-purpose adventure platform—engineered, elegant, and primed to cast off. Your boat, your design: performance, comfort, and style in perfect harmony.

DETAILED DESCRIPTION

Upgrades

This vessel benefits from thoughtful upgrades that enhance both performance and onboard lifestyle, including Taco outriggers that provide confident, extended trolling capability; a Fusion head unit paired with JL Audio speakers to deliver rich, precise sound that fills the cockpit; and a Garmin Series 8000 display that centralizes critical navigation and system data in a bright, intuitive interface for sharper situational awareness. A removable bow sun pad modification elegantly transforms the foredeck, allowing you to switch seamlessly between open deck space for fishing or movement and a luxurious lounge for sunbathing and socializing.

Electronics

The helm is fitted with a comprehensive electronics suite designed for reliability and ease of use: a dependable depthsounder for accurate water depth information, a centralized navigation center that brings charts and routes together, clear radio and VHF communications for safe and effective contact, a precise compass for traditional heading reference, GPS positioning for exact location awareness, and integrated speakers so that both information and entertainment remain immediately accessible while underway.

Inside & outside equipment

Comfort and safety on board are elevated by practical equipment chosen for everyday use: an electric bilge pump that ensures efficient dewatering and peace of mind in varying conditions, plush cockpit cushions that increase

on-deck comfort and invite longer hours aboard, and a robust swimming ladder that makes a refreshing dip and the subsequent reboarding effortless and secure.

Disclaimer

The company presents the details of this vessel in good faith but cannot guarantee or warrant the accuracy of the information or the vessel's condition; prospective buyers are encouraged to instruct their agents or qualified surveyors to investigate and verify any particulars of importance. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
