DETAILED DESCRIPTION

Section name

The 239DFS is an exceptional yacht that seamlessly blends luxury, comfort, elegance, and performance, making it a perfect option for those in search of a versatile and dependable vessel. This model prioritizes safety with its self-bailing and foam-filled hull, ensuring stable and upright flotation, providing your family with one of the safest experiences on the water today.

In terms of electrical systems, the yacht features a dedicated house battery and a separate engine start system, ensuring consistent power management. The 12V bilge pump with an automatic switch, 12V Lenco trim tabs, and an electric horn enhance the yacht's functionality and safety. Courtesy lights and a single lever throttle control with a safety kill switch add to the ease and convenience of operation.

The electronics suite includes a Garmin chart plotter for accurate navigation and exterior Jensen speakers for entertainment, ensuring a delightful journey on the water. The engine is a Honda 225 HP with 848 hours as of October 2023, with the option to install a new engine at an additional cost. The Sea Star hydraulic steering and a 100-gallon fuel tank further boost the yacht's performance and range.

Noteworthy extras include cockpit and bow cushions for enhanced comfort, four stainless steel trolling rod holders with integrated drains, and generous storage options such as bow storage and a forward in-floor fish box with an overboard drain. The yacht also features a telescoping swim ladder, a windshield, and a Sunbrella canvas for protection against the elements. Safety gear such as an anchor and chain, fenders, lines, lifejackets, and flares are also provided.

Standard features of the 239DFS include a macerated forward in-floor fish box

with an overboard drain, a fresh water shower station with a 9-gallon tank, and 9' x 12" trim tabs. The recessed low-profile bow rail and cockpit bolsters contribute to the yacht's sleek design. The seating arrangement includes a captain's chair and a back-to-back lounge seat, complemented by a stereo with an MP3 port and four speakers for entertainment. The molded-in swim platform with a telescoping 3-step ladder and Sea Star hydraulic steering ensure ease of use and maneuverability.

The yacht is built without wood, ensuring it is rot-free, and comes with a ten-year hull warranty. It features a self-bailing cockpit, a high-speed pick-up livewell, and a foam-injected fiberglass stringer system. The built-in fuel tank, bilge pump with an automatic switch, and two large storage boxes in the bow offer practicality and convenience. Additional features include an engine builder matched analog gauge package, storage under the console, an electric horn, a 12-volt power outlet on the dash, stainless steel hardware, a molded non-skid inner liner, a folding stern light, courtesy lights, and pull-up cleats. In summary, the 239DFS is a well-appointed and meticulously designed yacht that provides an ideal combination of safety, performance, and comfort, making it an outstanding choice for both leisure and adventure on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
