OVERVIEW

NEW CUSTOM ROAD TRAILER & WINTER STORAGE INCLUDED

Presenting "Right Angler," a stunning example of the Key West 239 Centre Console, fully outfitted with a Garmin chart plotter and VHF radio. This yacht is available for purchase in outstanding condition, boasting newly added elegant cushions that elevate its charm. It is powered by a dependable Honda 225HP engine, which has recorded around 697 hours as of January 2024, and includes an engine warranty that extends until March 10, 2026.

Prior to the yacht's sale, "Right Angler" will undergo an extensive preparation process to ensure it adheres to the highest standards:

Complete interior detailing

Thorough exterior cleaning

Fresh application of bottom paint

Comprehensive engine servicing

Brand new custom road trailer

This is a remarkable opportunity for those seeking to purchase a yacht at the current boat location. Seize this chance to own a meticulously maintained vessel that offers both luxury and high performance. Discover yacht sales at the current boat location and let "Right Angler" be your next journey on the water.

DETAILED DESCRIPTION

Section name

This yacht seamlessly combines luxury and practicality, crafted to accommodate both family excursions and serious fishing trips. Central to its electrical system are two 12V batteries, paired with a dual battery switch for dependable power management. The Sea Star hydraulic steering ensures smooth and precise control, while the electric horn and 12V bilge pump switch enhance the vessel's safety. Equipped with a Garmin VHF radio and chart plotter, the yacht guarantees you remain on course and in touch. The live well underscores its fishing prowess, offering a dedicated area to keep your catch fresh.

Beneath the surface, the yacht is driven by a powerful Honda 225 hp engine, which has logged 697 hours as of January 2024. This engine is backed by a warranty valid until March 10, 2026, providing long-term peace of mind. The hydraulic steering and dedicated engine start battery further boost the yacht's performance and dependability.

The yacht is adorned with notable extras that enhance the onboard experience. A compass ensures precise navigation, while the forward floor fish locker and console cup holder add convenience. The changing room beneath the console offers privacy, and the T-Top provides shade and protection from the elements. A swim ladder allows easy water access, and four stainless steel trolling rod holders cater to fishing enthusiasts. Additional features include pull-up cleats, bow cushions, and generous bow storage. Safety is prioritized with fenders, life jackets, flares, and dock lines, while the anchor, chain, and rode ensure secure anchoring. A new custom road trailer is included, simplifying transportation.

The manufacturer highlights this yacht as having the largest cockpit in its class,

filled with features for both family comfort and serious fishing. The full-width bench seat at the rear and optional front-facing seating in the bow offer ample relaxation space. Fishing features are plentiful, with a live well, rod storage racks, trolling rod holders, and an insulated, macerated under-floor fish box up front. This yacht is prepared for any water sports your family enjoys, making it a versatile and capable choice for any adventure.

Standard features include a console-mounted footrest with multiple storage compartments, a folding bolster leaning post that transforms into twin seats with a backrest, and a molded-in front console seat with storage underneath. The stainless steel steering wheel, closed-cell positive foam flotation, and console cushions for the front seat enhance the yacht's comfort and safety. The molded non-skid inner liner, courtesy lights, and black accents elevate the vessel's aesthetics. The yacht also boasts a spacious bow casting deck, Sea Star hydraulic steering, cockpit bolsters, and a changing room under the console that can accommodate a potty. The recessed low-profile bow rail, console cup holder, and 20-gallon live well are thoughtful additions. The forward in-floor fish box is macerated with an overboard drain, and the high-pressure raw water washdown system ensures easy cleaning. Trim tabs with indicators and auto-retract, a live well with a high-speed pump pickup, and molded-in gunwale rod storage further attest to the yacht's fishing capabilities. Storage areas or fish boxes under the floor, an anchor locker with a hatch lid, and stainless steel hardware complete the package. The yacht also features a 12-volt power outlet on the dash, a large storage compartment in the bow, an electric horn, a compass, a tinted windshield with a stainless steel grab rail, and an engine builder-matched analog gauge package. The bench seat cushion and backrest with cushion, dual battery switch, two large storage boxes in the bow, molded swim platform with stainless steel ladder, bilge pump with automatic switch, built-in fuel tank, foam-injected fiberglass stringer system, self-bailing cockpit, high-speed pick-up live well, no wood-no rot construction, and a ten-year hull warranty make this yacht an outstanding choice for any

maritime adventure.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
