OVERVIEW

Experience the Pinnacle of Yachting with "Wave Hunter"

Immerse yourself in the charm of the "Wave Hunter," an exceptional Key West 239 Centre Console that excels in both elegance and functionality. This yacht, available for purchase, is in immaculate condition, featuring newly updated cushions that add to its sophisticated allure. Currently stored out of the water, it is ready for your inspection at your convenience.

With a fresh coat of bottom paint and a thorough engine service recently completed, this vessel is primed for immediate aquatic adventures. The yacht offers generous storage and all necessary equipment, allowing you to embark on your journey without hesitation. It is powered by a dependable Honda 225HP engine, with approximately 908 hours logged as of October 2023.

Although the trailer is not part of the sale, it is available for purchase separately at an additional cost. Prior to the completion of the yacht sale, it will receive a detailed interior and exterior cleaning, along with a new application of bottom paint, ensuring it presents itself in peak condition.

For those seeking to acquire a yacht at its current location, this is a rare opportunity to own a breathtaking vessel that promises unforgettable moments on the water.

DETAILED DESCRIPTION

Section name

This yacht boasts a sturdy electrical setup, featuring dual 12V batteries and a switch to manage power efficiently. The Seastar hydraulic steering ensures smooth and precise control, while the electric horn and bilge pump switch enhance safety and ease of use. For seamless communication and navigation, the yacht is equipped with a Garmin VHF radio and chartplotter.

The engine is a robust Honda 225 hp, with 867 hours recorded as of September 2023. It is paired with hydraulic steering and a dedicated start battery, guaranteeing reliable performance on the water.

Additional features elevate the yacht's functionality and comfort. A compass aids navigation, while a forward fish locker and console cup holder add convenience. The changing room under the console offers privacy, and the T-Top provides shade and protection. A swim ladder allows easy water access, and four stainless steel trolling rod holders cater to fishing enthusiasts. Other features include pull-up cleats, bow cushions, and generous bow storage. Safety gear such as fenders, life jackets, flares, and dock lines are included, along with an anchor, chain, and rode.

The manufacturer highlights the 239FS as having the largest cockpit in its class, packed with features for family comfort and serious fishing. The full-width rear bench seat and optional front-facing bow seating create a relaxing space for family and friends. The yacht is also a capable offshore fishing platform, equipped with a live well, rod storage racks, trolling rod holders, and an insulated, macerated under-floor fish box. The 239FS is versatile, ready for any water sports your family enjoys.

Standard features include a console-mounted footrest with multiple storage compartments, a folding bolster leaning post that converts to twin seats with a

backrest, and a molded-in front console seat with storage underneath. The yacht features a stainless steel steering wheel, closed cell positive foam flotation, and console cushions for the front seat. The molded non-skid inner liner and courtesy lights enhance safety and aesthetics, while black accents add a touch of elegance. The yacht is equipped with a 20-gallon live well, a high-pressure raw water washdown system, and trim tabs with indicators and auto retract. The live well features a high-speed pump pickup, and there is molded-in gunwale rod storage. Additional storage options include a large compartment in the bow and an anchor locker with a hatch lid. The yacht's construction is robust, with a foam-injected fiberglass stringer system, self-bailing cockpit, and no wood-no rot construction, backed by a ten-year hull warranty.
