OVERVIEW

Preliminary Listing

Additional photos and details will be provided after a complete detailing process.

Chill is in superb condition and is now on the market after being retired from the Freedom Boat Club. This magnificent yacht boasts a robust Honda 150 hp engine that has been thoroughly serviced. All hulls have been pressure-checked to confirm they are leak-free. The yacht is adorned with updated cushions, an elegant bimini top, and a practical pop-up changing room.

Please note that the trailer is not included in the yacht sale.

Discover yacht sales at the current boat location and take advantage of the chance to own a yacht that perfectly blends luxury with performance.

DETAILED DESCRIPTION

Section name

The yacht's propulsion and electronic systems are crafted to offer a flawless and delightful boating adventure. Central to this vessel is a powerful 150 hp engine, carefully maintained and with around 500 operational hours as of September 2023, guaranteeing dependable performance and durability. Outfitted with a Humminbird fish finder, the yacht delivers accurate underwater data for avid anglers. For leisure, a stereo system with premium speakers ensures your favorite music accompanies every voyage. Safety and efficiency are bolstered by bilge pumps and Honda electronic gauges, providing reassurance and straightforward system monitoring.

This yacht comes with notable extras, including vital items like fenders, dock lines, and an anchor with rode, ensuring secure docking and anchoring. Onboard safety equipment offers essential protection for all guests. The yacht is powered by an engine start battery and a house battery, ensuring consistent power supply. For added comfort, a bimini top provides shade, while a changing room and cockpit table enhance the onboard experience.

The yacht's hull is built with marine-grade $\frac{3}{4}$ " plywood decking, ensuring strength and stability. An all-welded aluminum transom contributes to its structural soundness, while 25" diameter aluminum pontoon tubes (23" on the 18' model) offer buoyancy and smooth sailing. The deck is covered with marine-grade UV-resistant carpet, providing a comfortable and elegant surface.

On deck, a boarding ladder allows easy water access. Rotocast furniture bases with integrated drains keep seating dry and comfortable. The yacht features four deck cleats for secure mooring and a changing room for added privacy.

The manufacturer describes the yacht as capable of creating the pontoon

lifestyle you've always desired. The EX series combines Starcraft style and comfort with spacious layouts featuring cozy loungers and port-side seating. A generous bimini top offers ample shade, while a Jensen MS3A stereo with Bluetooth keeps entertainment at your fingertips. Optional enhancements include HMX Performance Strakes for improved performance, a ski tow for water sports lovers, and the sophisticated in-dash Helix 5 navigation system for precise guidance.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
