OVERVIEW

The asking price is offered as a guideline, and all respectful offers are welcomed. The 2017 Everglades 243 CC marries rugged capability with meticulous craftsmanship, producing an exceptionally dry, composed ride when the seas pick up. Equally adept skimming a shallow flat or punching offshore, this center console bay boat serves as a versatile sportfish platform that reflects Everglades' well-earned pedigree. Serious anglers will value the 36 gallon livewell, abundant rod storage, and capacious insulated fish boxes, while the intelligently laid-out deck supplies generous room for casting, thoughtful stowage for gear, and comfortable seating for family outings and group cruises. The result is a trailerable inshore/offshore fishing boat that balances performance and refinement, making the 243 CC one of the most desirable models in its class.

This particular 243 CC is presented in attractive condition and is nearly finished, offering the buyer the opportunity to select preferred outboard power and to tailor the helm and electronics to personal taste. With a few final touches to the console and electronics, you will be launching an exceptional fishing and coastal dayboat customized to your needs. Inspect with confidence and step aboard prepared to make an offer on a platform that rewards both angling ambition and serene downtime on the water.

An AmeraTrail aluminum trailer is included with the sale, underscoring the boat's trailerable nature and broadening your cruising and fishing possibilities. Nationwide and international transportation can be arranged through qualified marine carriers, including custom cradles and delivery to port for export when required. Additional trailer solutions may be organized upon request to ease logistics from purchase to launch.

No statement can be made as to the condition of engines or machinery; even if photographs show the machinery space, it remains the buyer's responsibility

to inspect and verify actual condition. Do not assume accessories or loose equipment are included or stored elsewhere; the vessel is sold strictly as seen, and any offer should reflect only what is present at viewing.

All information is supplied in good faith but is not guaranteed and should be independently verified by the buyer. This vessel is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranty or guarantee expressed or implied, including no warranties of merchantability or fitness for a particular purpose. No verbal agreements shall alter the terms of sale.

Center Console, Bay Boat, Sportfish, Inshore, Offshore, Outboard, Trailerable.
