## Rewritten Description

EXCEPTIONAL OPPORTUNITY TO OWN A NEWLY OUTFITTED YACHT AT A SECOND-HAND PRICE! This well-maintained V10 400 Mercury engine boasts a mere 10 hours of operation! The yacht is equipped with a complete tower, a top-tier JL audio system, a 12-inch Garmin for down imaging, and a 9-inch Garmin for the upper display. It also features power poles, a Frigid coffin box, and a Frigid cooler. With electronic controls and a brand new MAGICTILT aluminum trailer included, this vessel looks as if it just left the showroom and comes with a transferable warranty. The owner's plans have changed, leading to a pursuit of a larger yacht to accommodate new fishing requirements. Discover yacht sales in the current location and seize this chance to own a yacht that seamlessly combines elegance and practicality!

### Rewritten Description

---

Here lies a unique chance to acquire a newly outfitted yacht at the cost of a pre-owned one. This boat is driven by a cherished V10 400 Mercury engine with a mere 10 hours of operation, ensuring it remains in immaculate condition. It boasts a complete tower, offering an ideal viewpoint for both navigation and fishing. The yacht is fitted with premium JL audio, delivering an outstanding auditory experience on the water. Navigational ease is assured with a 12-inch Garmin display at the lower helm and a 9-inch Garmin display at the upper helm, providing all necessary information at your fingertips.

For fishing enthusiasts, the yacht is equipped with power poles for effortless anchoring in shallow waters. It also features a Frigid coffin box and a Frigid cooler, perfect for keeping your catch and beverages chilled. The electronic controls provide smooth and precise maneuverability, enhancing your time on the water. Furthermore, the yacht includes a brand new MAGICTILT aluminum trailer, simplifying transportation.

This vessel appears as if it's brand new and comes with a transferable warranty, offering peace of mind to the new owner. The current owner is selling due to a change in plans and is now seeking a larger boat to accommodate his growing fishing ambitions. Seize this extraordinary opportunity to own a yacht that seamlessly blends luxury, performance, and practicality.

### Rewritten Description

---

The Lake & Bay 25 Open is an exquisitely crafted vessel, designed to effortlessly tackle the demanding bay and nearshore waters with both elegance and ease. Its modified-VEE hull, paired with an 8'6" beam, offers a stable and roomy platform, ideal for fishing or enjoying a relaxing day on the water with loved ones. The spacious cockpit provides multiple console configurations, such as a front cushioned seat, a detachable Frigid Rigid cooler, or an insulated well/cooler.

This boat is outfitted with a leaning post livewell, stainless steel drink holders, and rod holders, ensuring both convenience and functionality. The hydraulic steering system, extensive in-deck storage, and self-draining cockpit enhance the vessel's practicality. Recessed trim tabs and a hydraulic jackplate, along with all 316 stainless steel hardware, contribute to its sturdy construction.

For over 35 years, Lake & Bay has been at the forefront of crafting custom, high-performance flats and tournament boats, and the 25 Open is a testament to their expertise. The vacuum-bagged cored hull and deck, all-composite construction, and Sea-Dek inside gunnels with measuring sticks underscore the boat's exceptional build quality. Additional features include Sea-Dek inside storage compartments, Bob's hydraulic jack plate, and Action Series flush-mounted Lenco trim tabs.

The boat is equipped with a robust rub rail, a leaning post livewell, courtesy LED lights, and a flush sea chest design with livewell pickups. It also includes a cranking battery with a switch, flush stainless custom machined deck hinges, five stainless pop-up cleats, and two bilge pumps with floats. Sealed AGM batteries and hatch O-ring seal design on all compartments and livewells ensure reliability and durability.

The 13" steering wheel with a knob, hydraulic steering system, and aluminum plates in the deck for future T-top installation add to the vessel's versatility. Console grab handles, LED navigational lights, and a two-piece pressed hatch design further enhance its functionality. The custom wiring with tinned copper wiring throughout the boat ensures enduring performance.

The Lake & Bay 25 Open also features four aluminum rod holders on the side of the console, a stainless propeller, a console windshield, and a console glove box with USB and power port. It comes with a tandem axle aluminum trailer with a spare, digital gauges, or GPS integration.

Custom options include a JL stereo system, underwater lighting, storage compartment and livewell lighting, power poles, insulated fish boxes, Frigid Rigid coffin box, Frigid Rigid coolers, a swim platform with pull-out steps, a canvas T-top tower with a second station, a GPS system, and diamond pleat cushions. This boat truly distinguishes itself as the most versatile bay boat ever created.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
