## Overview

---

The Sea Ray 250 SDX Outboard is an extraordinary craft that seamlessly blends elegance, power, and comfort into one exceptional package. At its core lies a robust Mercury 300HP Outboard engine, delivering thrilling performance and dependable reliability on the water. Measuring 25 feet in length with a beam of 8.5 feet, this vessel provides ample room for both relaxation and adventure. It features a substantial fuel capacity of 65 gallons, perfect for longer voyages, and can comfortably host up to 12 guests.

Inside, the roomy cockpit offers plush seating with luxurious upholstery, creating an inviting space for socializing. The expansive aft sunpad is ideal for lounging and sunbathing, while the removable cockpit table provides a convenient area for dining or enjoying snacks. The wet bar, complete with a sink and drink holders, enhances convenience, and the private head compartment is thoughtfully equipped with a marine toilet and sink.

For navigation and entertainment, the Sea Ray 250 SDX OB is outfitted with a sophisticated navigation system, including GPS and a chart plotter for seamless travel. The high-end Fusion audio system, featuring Bluetooth

connectivity and a Fusion 4-speaker setup, ensures superior sound quality to elevate your time on the water.

The boat's exterior is equally impressive, boasting a retractable bimini top for sun protection and comfort, a bow ladder for easy water access, and a handy freshwater shower at the transom. With just 35 hours of use, this boat has been gently used and meticulously maintained, with regular servicing and complete records available.

Additional details include the remaining factory warranty for added assurance and a comprehensive set of docking fenders, lines, and an anchor. Seize the opportunity to own this remarkable Sea Ray 250 SDX OB and craft unforgettable experiences on the water.

## Walk-thru

---

The Sea Ray SDX 250 Outboard turns every weekend into a delightful getaway, showcasing Sea Ray's commitment to superior craftsmanship and smart design. From the bow to the stern, this adaptable deck boat is crafted to promote social interaction and relaxation, with technology that ensures user-friendliness. The inclusion of Mercury® outboard power offers freedom and adaptability, making it perfect for various boating conditions. With ample seating and generous storage, the SDX 250 Outboard is the perfect option for effortless family day trips. Its roomy and flexible layout, accommodating up to 14 people with innovative storage solutions, makes it ideal for entertaining guests or enjoying a peaceful family day.

The hull and deck of the SDX 250 boast stainless steel bow and stern eyes, an integrated fiberglass hatch with stainless steel fittings, and a hidden four-step bow boarding ladder. The foredeck provides storage for a ladder and anchor, while the deck features a stainless steel fuel fill plate. The boat is finished with an Arctic White gel coat and stainless steel fittings, including navigation lights and a white PVC rub rail with a stainless steel insert. The swim platform is

enhanced by an undermount stainless steel three-step swim ladder, and the windshield has a black matte finish with a port walk-thru to the bow.

Inside the cockpit, you'll discover stainless steel beverage holders with rubber inserts, ivory-colored vinyl with brown accents, and a carry-on cooler with designated storage. The custom upholstered visor dash, white acrylic bow block-off door, and acrylic transom door add to the boat's sophistication. The finished fiberglass floor, stainless steel grab handles, and enclosed fiberglass head compartment with a lockable door and portable head ensure comfort and convenience. White LED courtesy lighting, a 12V accessory/USB outlet, and gas-assisted cockpit floor storage with a lockable stainless steel latch are also included. The cockpit table has designated storage, and the marine-grade vinyl offers protection against mildew and UV rays.

Seating options include bow seating with aft and forward-facing configurations, a double helm seat with a reversible backrest and flip-up thigh rise, and a double port companion seat with similar features. The port L-shaped lounge provides additional storage, while the sliding transom sunpad features a reversible backrest and in-floor storage.

At the helm, the SDX 250 is equipped with audible engine alarms for oil and water, a horn, and custom Sea Ray® SmartCraft® instrumentation with diagnostics. The helm also includes Mercury VesselView® Mobile, SmartCraft Digital Throttle & Shift (DTS) with a trim switch and ignition cutout switch, and an Active Trim speed-based automatic engine trim system with integrated GPS. The power-assisted tilt wheel steering and Fusion® SRX400 stereo system with Bluetooth™, Digital Signal Processing (DSP), and Wi-Fi audio streaming with Apple AirPlay® 2 ensure a premium experience. The switch panel features weatherproof lighted chrome toggle switches, and the power tilt and trim add to the boat's functionality.

The bilge compartment includes a 1100 GPH 12V automatic bilge pump and a gel-coated compartment. The electrical systems feature a dual battery on/off

switch with two trays, a fuse block, and color-coded wiring with chafe protection. The fuel systems include an evaporative emissions fuel system, USCG Type A-1 fuel lines, and a fuel tank with a mechanical anti-siphon valve and electric sending unit. Underwater gear includes stainless steel propellers, completing the impressive array of features on the Sea Ray SDX 250 Outboard.
