DETAILED DESCRIPTION

Features

Purpose-built for anglers and day boaters alike, the Blackjack 256 Bay arrives fully outfitted with performance hardware and comfort amenities that elevate every outing. Hydraulic tilt steering and a six inch Bob's Machine hydraulic jackplate combine with Lenco trim tabs to give crisp response and silky handling whether carving wakes or idling on a weedline, while dual eight foot Power Pole Blades set you quietly and instantly on the bite in skinny water. Twin ten inch Garmin multifunction displays put charts, sonar, and navigation front and center, complemented by Mercury VesselView for real time engine insight and a Minn Kota Terrova for advanced positioning and course control. Entertainment flows through a Fusion head unit and a JL Audio sound system, delivering clear, powerful sound from sunrise to last cast. Fishing forward details abound: insulated thirty gallon livewells keep bait lively and catches pristine; generous rod storage and plentiful holders keep your spread organized; and ample cooler capacity, including a seventy five quart cooler option, keeps provisions perfectly chilled. A large forward opening console provides abundant battery space and room for a portable head, while custom upholstery, discreet LED lighting, pop up anchor cleats, and gas assisted hatch lids complete a layout that feels as refined as it is functional, so you spend more time fishing and less time managing gear.
