DETAILED DESCRIPTION

New brokerage listing

Behold the exquisite 2021 Boston Whaler 250 Outrage, a masterpiece that marries style with outstanding performance. This magnificent vessel is driven by dual Mercury 225 XL outboard engines, with a mere 206 hours on them and warranties extending until 2026, offering years of worry-free enjoyment. The boat's sleek light grey hull, adorned with blue accents, is further enhanced by canvas covers for the leaning post and console, infusing a sense of elegance into its sturdy build.

This Boston Whaler comes with a premium package, featuring a bow table, a stainless steel anchor with a windlass, and a complete head with a VacuFlush system. For those who relish nighttime excursions, the remote spotlight is an invaluable feature. The hardtop and outriggers boost its versatility, making it ideal for deep-sea fishing or a relaxing day by the shore.

At the helm, you'll discover a 16" Simrad EVO3 Multi-Function Display, coupled with a Halo 20 radome and an RS40 VHF, ensuring superior navigation and communication. This Outrage is more than just a vessel; it's a showstopper with remarkable performance, extensive range, and a seamless ride. We eagerly anticipate unveiling this beauty next week and capturing more images to highlight its full splendor. Whether you're a passionate fisherman or a beach lover, the Boston Whaler 250 Outrage is the ultimate partner for your sea adventures.

Other details

The Company provides the information about this vessel with the highest level of integrity, but it is crucial to understand that we cannot ensure or certify the

precision of these details, nor can we confirm the vessel's condition. Potential buyers are advised to employ their agents or surveyors to meticulously examine and verify any particulars they consider essential. This vessel is on the market for purchase, yet please be mindful that it may be sold, have its price adjusted, or be removed from the market without prior notification.

Propulsion

This yacht is driven by a pair of powerful Mercury 225XL engines, both hailing from the 2021 model year, guaranteeing a state-of-the-art and effective propulsion system. Each engine produces a total of 225 horsepower, endowing the vessel with remarkable performance capabilities. With just 206 hours of use, these outboard engines are relatively new and promise many more adventures. They operate on gasoline, making them an ideal choice for those who appreciate both strength and efficiency. The synergy of these two engines ensures the yacht is perfectly equipped for a range of sea voyages, delivering both dependability and thrilling speed on the water.
