DETAILED DESCRIPTION

Section name

This remarkable yacht seamlessly combines high performance with luxury, making it a superb option for both experienced sailors and those new to the sea. With available financing and minimal engine hours, this vessel is primed for its next adventure with a new owner. It is driven by a powerful 350 Verado engine, with just 190 hours logged and still under warranty, providing assurance and dependability on the water.

The yacht's versatility is enhanced by two impressive white 10-foot Power Poles, offering excellent anchoring strength. Navigation is simplified with the cutting-edge Lowrance 12-inch GPS, ensuring precise route finding. For entertainment, the yacht is equipped with a top-tier JL Audio system, delivering pristine sound to elevate your time on board.

A Magic Tilt aluminum trailer is included, ensuring easy and convenient transport. Designed with three livewells, the yacht is perfect for fishing enthusiasts needing ample space for bait and catch. Outfitted with Taco GS390 outriggers, it is ready for serious fishing adventures.

Adding elegance and practicality, the yacht features underwater lighting, creating a captivating atmosphere for evening voyages. This yacht is a true treasure, offering a full suite of features and options that accommodate a variety of boating activities. Whether you're upgrading or making your first purchase, this yacht is open to trades and guarantees an unmatched experience on the water.

Overview

This adaptable yacht is crafted to deliver the ultimate experience, whether

you're venturing offshore for trolling or staying inshore for fishing. It is powered by a custom white 350 Verado engine, boasting only 190 hours and still under warranty, and features twin 10-foot Power-Poles for exceptional anchoring. The Taco GS 390 mounts with removable and collapsible outriggers make it ideal for dedicated fishing trips. Navigating is effortless with the Lowrance Elite TI 12, a 12-inch SolarMAX touchscreen that includes detailed C-MAP Insight Pro mapping, Lowrance CHIRP sonar, and integrated SideScan and DownScan Imaging.

Equipped with a JL Audio MM50 sound system and four speakers, the yacht ensures premium entertainment on the water. It comes with a Magic Tilt Tandem Trailer for straightforward transport, three livewells, and a porta potti for added convenience. Fresh and saltwater hose spigots are available for washdowns, and the hard T-top with white powder coating includes rocket launchers and misters. Reliable communication is guaranteed with the ICOM M506 VHF with CommandMic and a 4-foot Shakespeare antenna.

For enhanced comfort and elegance, the yacht features a swim platform with a ladder, Hydro Tilt power steering with a stainless steel wheel, and dual batteries with a switch and charger. Lenco trim tabs with indicator switches improve stability, while blue LED underwater and courtesy lights create a captivating atmosphere. Storage solutions include an anchor locker, casting net locker, and hidden lockable platform rod storage.

The seating is spacious and flexible, with a helm seat that folds down with armrests, a double-wide rear seat that folds away for a rear casting platform, and a forward cushion over the cooler/livewell in front of the console for extra seating. The leaning post provides storage, rod holders, a work station, and a livewell with a clear lid. With its striking mint color, this yacht is sure to attract attention. Located in Ft. Lauderdale, FL, this vessel is for sale as the owners are constructing a new Shearwater of the same model, reflecting their admiration for this outstanding yacht. This listing will remain active until the yacht is sold.
