## OVERVIEW

---

"Current price" is offered as a guideline only, and every earnest proposal will be courteously considered. Solid and uncompromising, the 2012 Steiger Craft 255 DV Miami stands as an offshore workhorse for anglers unwilling to be deterred by a forecast. Its 56 square foot cockpit and a heavy duty I Beam fiberglass stringer system speak to purposeful engineering, delivering a sportfishing pilothouse that rides dry and confident, cutting through chop with steady composure. The open back Miami layout stretches usable areas so that the 25'6" hull lives and fishes larger than its dimensions suggest, while retaining trailerability and bona fide bluewater capability. Built with the heft of a tank yet finished with clean, purposeful lines, it marries safety, range, and fuel efficiency to the practical elegance expected of a premium offshore powerboat. For those seeking a compact, go anywhere fishing platform with big boat backbone, this express pilothouse is a distinguished choice.

Presenting well for its vintage, the vessel is reportedly ready to fish now—inspect her, assess her condition, and submit your offer accordingly. A trailer is not included in the sale. Nationwide transport can be arranged through reputable carriers, and custom cradles plus port delivery are available for international shipment, ensuring a smooth acquisition whether local or overseas.

Please review the motors and machinery disclaimer prior to inspection. No representation is made regarding the condition of the engines or onboard systems; photographs may depict the machinery space, but it remains the buyer's obligation to evaluate and verify actual condition. Do not presume that stored accessories or equipment are included, as the vessel is sold exactly as seen. Submit offers based upon what is present at the time of viewing.

All particulars are presented in good faith but are not guaranteed, and interested buyers should independently confirm any details of importance.

This vessel is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with no warranties expressed or implied, including any warranty of merchantability or fitness for a particular purpose, and no verbal agreements shall modify the terms of sale.

This versatile craft suits listings under Sportfishing Yacht, Pilothouse, Express, Walkaround, Cuddy Cabin, Saltwater Fishing, Trailerable, and Offshore Powerboat, a bluewater ready platform designed for serious anglers who value capability, comfort, and a refined, purposeful aesthetic.
